Article: Before proceeding to reading ...

This article also reveals only what you have read and discovered. But the specialty of this article is that those things have been added as they should be added;and that's what you wanted. The Creator wants man to leave evils and live a perfect life. This form of advice that shows the way to it is called" Christ's advice." "or" Christ I have found" or can be named in another way. All those things Christ for the perfect life of man are presented to you as the teachings taught by Christ. Perfection does not mean that man becomes like God. Rather, he is to live a perfect life without evil. That is, like Jesus, who is worshiped by the world, the Supreme Personality of Godhead, and an example!

At that time, there were many virgins in Israel who waited with faith for the scripture that says,*('A virgin will conceive and give birth to a son, and he will call him Immanuel, which means God is with us" Matthew 1:22)*

It helped she to bear fruit; the words of that blessed are as follows.*(Luke 1:38 And Mary said, Behold the handmaid of the Lord; be it unto me according to thy word.)*

In the human life of the Old Testament times, just as the impossible of those is fulfilled by faith in God, let the fulfillment of the New Testament word that man will become a companion of the divine nature by leaving the evil desire that causes sin happen in the man who believes the word in the New Testament and emanates the divine nature from that faith. *(2 Peter 1 :4 By them he We have been given precious and great promises. By these you leave the destruction of lust in the world and become companions of the divine nature.)*

Sincerely ... Ministers of Eternal Life ....2017.

Introduction:-

Through this article, the writer is mainly doing to reveal a question whether it is possible to fully implement the solution to the increasing evils in the human race.

The books on God written more than a thousand years ago prove that people have been searching for God since the time of mythology. It is also clear from that that man relies on various religious books to solve the issue of human imperfection (sin). 1400 BC in Israel and before 400 BC another book that was revealed in India and Arabia 600 AD and in Israel in 100 AD is the New Testament. The New Testament, the second book of the Bible, is the second book of the Bible when all the religious texts prescribe the search for truth and the atonement for evil to create a new man who lives without evil. Finger pointing; through the' new law' revealed in that book, the wicked man is made good and the law of life is rendered unnecessary in earthly life. Let us present

this article with the assurance that this method can be adopted by people of all religions and that this article will be useful for those who are proud to be Christians to examine their religious studies. And read any book May God grant the good heart to the reader to evaluate and accept the inner core. May God help you not to dismiss this article as a Christian book commentary on.

Along with revealing this universal 'new law' which can forever prevent the immoral acts seen in the human race, what are the various viewpoints of the truth - seeking religious devotees, and through the Hindu Vedas such as the Vedic Upanishads, the Panchavedas, and the Qur'an, an investigation is being conducted . Not only that, various opinions of world famous devotees have also been added. May this article be submitted before the blessed Dictator, King of Kings, and Lord, who alone is immortal, who dwells in unapproachable light, whom no man can see, and who can not be seen. May He

give us divine vision at the right time. ***(Ecclesiastes 7 : 8 Better is the end of a thing than the beginning thereof:)*** **_**

****

1.The Path to Salvation.

The book Holy Bible mainly shows us the origin of humans and everything else, the fall of humans into sin, the solution to it and the entrance to eternal life. Through the first parents, Adam, who lived with prosperity in everything, God had established the eternal life of all human beings in Eden in such a way that it would remain as a thought within them. No human being likes death Its secret is. Even when they succumbed to the temptation of the devil and sinned, their right to be fruitful and multiply and fill the earth remained as an inheritance*(Genesis 1:28, God blessed them and said to them: Be fruitful and multiply and fill the earth and subdue it and rule over the fish of the sea and the birds of the sky and every living thing that moves on the ground.)*

Adam and Eve were expelled from Eden because of their sin and were thrown into a life of suffering and sorrow on earth cursed by their sin. Then their descen-

dants inherited the sinful nature inherited by Adam and lived in sinful nature centuries later. The New Testament reveals that by being called, men are re- entered into the presence of God through the sin- reparation ministry, the son of Abraham.*(Matthew 1:1-21 And she shall give birth to a son; and thou shalt call his name Jesus, because he shall save his people from their sins.)*

Man must understand that this mortal universe and human life is a beautiful plan of the Eternal God. Dear reader, when the Bible describes the life on earth from that day to the present, their justification from sin, and their re-entry into God's presence, dear reader, by faith. After being justified, are you ready to return to the presence of God by producing the fruit of life from that faith?

The promise of eternity that was promised in Eden but was not received there, the purpose of God to receive the children of Adam through Jesus and the plan

that God had prepared for that, the coming of Jesus to earth, his personality and life, the testimony of his death on the cross, and how it is achieved life that is thereby obtained; the article will tell you.

Beginning with the description of the condition of the earth, which was waste and empty, the book of Genesis of the Bible goes through 66 (73) books and ends with the revelation, who says, Lord Jesus, come.*(Revelation 22:20 He who testifies to this says: Yes , I am coming quickly; Amen, Lord Jesus, come,)*

May you who are reading this article join the writer in the same way! May the grace of Lord Jesus Christ be with the reader. Amen .... May God help the reader with a discernment as another devotee says.*(Jesus opened their minds to understand the scriptures. Luke 24:45)*

****

2.Is interpretation not of God?

(Genesis 41:25, Daniel 2:28, 2 Peter 1:21)

Even if we look not only in Kerala, but all over the world, we can see a lot of Christian churches with different doctrinal forms. Different ways can be seen in all their worships. None of the New Testament churches envisioned by the early apostles claiming their succession exist on the face of the earth today. It is a book of truth written between 1500 BC and 100 AD. and that is the guiding code of all these churches. The New Testament was written in the first century. The Holy Books were written by male authors, from inspired shepherds to kings. God's wonderful counsel was written in human language. But after the formation of the New Testament church which was the result of atonement, the apostles during the church study that ended in the 4th century AD. Those who lived under the"faith" that was taught were persecuted. Even at that time, all the churches

whose names are written in the New Testament were removed from the earth. Thus, Muhammad, who claimed to be the last prophet, came into existence at a time when Christianity was temporarily hidden by God's counsel - twenty-three years between 500 and 600 AD:the Quran was written in the year. Since the mystery of Christianity was not fully revealed at that time and because God's people Israel had to completely flee to foreign lands in 70 AD, Muhammad, who received the monotheistic view from Jews and Christians, became inspiration to write the Qur'an. The Destruction of God's Promised Israel, he was mistaking it for eternity. He could not find in the eyes of the prophet that Israel, which was scattered to different lands in AD -70, would return to its own land in the 20th century and build a kingdom of its own. However, Muhammad in his writings in ten chapters in various verses It can also be seen that (verses) confirm the Holy Book (Bible).

Just because one reads the aforemen-

tioned Holy Book once does not mean that God's purpose in it should be revealed quickly. If that was the case, he would have understood the mystery that you understand through this book by reading the scriptures. Later, by the sixteenth century AD, the Christian churches were reformed with various doctrinal forms according to God's plan. None of them were churches that fully understood the mystery in Christ's atonement. But everyone used to claim that they are the most correct. Therefore, they were not able to answer the question of why those who have obtained the atonement sin again. Not only that, they are also in the number of small books in Holy Book, various policies were adopted. It can also be seen that there is a difference in the meaning of some verses in the translations of Holy Book. The disciples who described the supreme personality, mentality, life on earth, and teachings of Jesus, the Son of God, who came to earth for the atonement of sins, the most holy anointed one, fully human and fully di-

vine: while the Divine View (in Greek) has been translated by many others, it is King James's in the English language that gives the most complete meaning. Full humanity and full divinity were described in it without loss of meaning. Released in 1611 AD, this translation occupies an important place in the history of Bible translation. It is decorated. Let this devotee also write about that perfect Master.*(Hebrews 4:15 but was in all points tempted like as we are, yet without sin.)*

Let us think later why this writer says that Jesus and those who believe in Him are tested in things other than sin. Humans generally have two types of tests. Let us know from the beginning that it is the trials of suffering and the trials of sin. If we do not know the example of life that Jesus, who is without sin, has shown to sinful people and what his humanity was like, we will not be able to understand what Christian life is. Only if we obey the 'law of the spirit of life' (New Testament) established by Him through His crucifix-

ion (blood), we can walk without sin as He walked. How high our life be if we get the personality of Christ who is different from the people who lived on earth then and are living today?*{He knows no sin. 2 Corinthians 5:21) There is no sin in Him. 1 John 3 : 6) He did not sin. 1 Peter 2:22)}*

May the dear reader be able to copy in his heart the advice for the new life preached in the early church and found in Christ by the apostles. Before that, we should know how man came to be in such a sinful nature. For that, let's go to the Garden of Eden.

****

3. Commencement.

(And God formed man of the dust of the ground, and breathed into his nostrils the breath of life, and he became a living soul'. Genesis 2 :7)

All creatures that were created before man were there in Eden. There, Satan came to Eve in the form of a snake and made Eve want to eat the fruit that God had forbidden to eat.***(Genesis 3:6 And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat).(Because of eating that fruit, they had the knowledge of good and bad and realized that they were naked. Those who lived in Eden did not have the full spirit to understand the evils of the devil. The secret is that God did not want a perfect life for man. Even we do not want a life of perfection in infants.)***

All that is seen and unseen is from God. That is why God has given the devil the knowledge of good and evil and he has become a chance to interfere with Human. It was because of the devil's will that man was able to get the knowledge and evil.*(Genesis 3:22 Jehovah God : Man has become like one of us to know good and evil;)*

Today's man recognizes good and evil, but he is unable to live in the perfection of goodness, the imperfection man. Sin (human weakness) is the power that governs man without his knowledge. The body of Adam who walked in God's way was not subject to destruction. The body given to the soul was perfect. But When Adam sinned by being deceived by the devil, their body and soul were sentenced to death. God had told Adam that' in the day you eat the fruit you will die'.
(Genesis 2:17 But you shall not eat of the tree of the knowledge of good and evil; in the day you eat of it you shall die.)

Because Adam sinned like this, the devil took control of his body, which is the reason for all evilthe we see today. We see that after man and woman committed sin, they gave birth to children.*(Genesis 4 : 1 Then the man took Eve his wife understood; She conceived and gave birth to Cain and said: I have received a male child from Jehovah.)*

They received the promise of childbearing there (in Eden) but there they did not have children. It was only after they gave their bodies to the devil that they got the form of birth that we see today. Man's physical interventions for that are not divine. But God has allowed it to man. Therefore , some of our daily events show that the society is experiencing problems due to it.

There are three parts in Human who has knowledge of good and bad. It is body, soul and spirit. It has been scientifically proven that there are fourteen types of elements found in the soil in the visible

body of man. But let them test themselves whether science can combine all these in the right proportions to form a human body.

We should know that this kind of body committing sin, being can do sin, thinking sin, and dreaming sin is something to be despised. Generally speaking, it can be read that the human body is a place of sin (the devil) can work with all its lusts. ***(Romans 6:12 Therefore let sin have no more dominion over its lusts in your mortal body,)***

Human has to engage in evils that he does not like because he lives in a body that gives him the urge to sin.***(Romans 7:20 If I do what I do not want, it is not I who do it, but sin that dwells in me.)***

(Qur'an Sura 12 Yusuf 53 "I do not say that my body is innocent. Verily, the body is more inciting to evil; except the body which my Lord has blessed.)

This body is capable of doing good deeds as well as doing bad deeds, literature, art, entertainment, sports, science, livelihood, marriage, protection from enemies. Since this body is doomed to death, no one can escape death.*(The wages is death; the grace of God is eternal life in our Lord Jesus Christ. Romans 6:23)*

There will be no man on earth who does not dream. What is the underlying cause of the dream? Science does not find this with a divine perspective. They have been teaching the human mind as conscious mind, unconscious mind and subconscious mind. Can the dreams of the human mind be controlled by understanding this way? But the word of God is this - In some dreams - it is seen as a crime that happens to a person without his knowledge. (Some people see some dreams as revelations of divine things. Their interpretations are done by godmen.)*(Genesis. 40 :8 And they said to him: We have dreamed a dream, and there is no one to interpret it. Joseph said to*

them: Is not the interpretation of dreams of God? Tell it to me. He interpreted the dreams of those who told him; Each one was told the meaning.)

Therefore, the first part of the Holy Book, the Old Testament, reveals that in order to get rid of the impurity caused by saliva, sacrifices should be offered. *(Leviticus 15:13-16 When the person with discharge has stopped and is clean, he must wash his clothes and wash his body in running water for seven days, but he will be clean. Give them to the priest. 15 And the priest shall offer one of them as a sin offering, and the other as a burnt offering; Thus the priest must make atonement for him before Jehovah for his discharge. 16 If a man discharges his semen, he must wash his whole body in water and be unclean until evening. 17 sperm fell All clothing shall be washed in water and shall be unclean until evening.)*

It can be seen that the body is enslaved to an internal power (sin) without asking for

the consent of the soul (sin). In the human body when the body performs the things that the person has seen, heard, thought, wanted, did not like, or did not think about in his unconscious state. The order was violated this happens when man sinned, the devil's abode was transferred to the human body. The Lord has said that 'that which is born of the flesh (devil) is flesh'(devil).*(John 3:6 What is born of the flesh is flesh; what is born of the Spirit is spirit.)*

In the New Testament Romans, the apostle Paul says that by sin living in the human body, his commandment sin to' is carried out.*(Romans 7:23, 24 But I see another law in my members, warring against the law of my mind; it brings me into bondage to the law of sin my members. 24 Alas, I am a wretched man! Who will deliver me from this mortal body?)*

In this way, we can see that" sinning" (breaking the law) that started with the man who lived in Eden continues

in human life today. In the first place, the body is the earthen tent that belongs to the soul and in which the soul lives.

spirit is in a way the soul of man. (It is a living reflection of the body without life.) The body that belongs to the soul will be the body if the sin found in the human body is avoided. That body will be like the body of Adam in the beginning and sin will not dwell. But it is not possible to reach such a state through any human inventions or through science. It is not God's will for man to reach such a literal state and live without sin. Thus it is God's will to save the man who has fallen into sin. Before the foundation of the world, God foresaw the perfection through Christ and caused man to fall into sin. ***(Galatians 3:22 But the scriptures put all things under sin, that those who believe may receive the promise through faith in Jesus Christ.)***

Bound by the law of sin in the body, the soul (spirit) is in bondage (imprisonment)

to the body (sin).

Apart from body and soul, there is another part of human being called spirit. Intellect, thought and free will are the three parts of the human spirit. It can be seen that intelligence is of different types in different people. Here we can see those who have intellectual ability as well as mentally retarded people. Human intelligence has grown and reached Mars; we can see through science and technology. But we should remember in this context that even though man has advanced intellectually, through science and technology, and financially, there has been no reduction in his sinful nature. The sinful actions in the human mind are also the result of their thinking.

In man's free will, he has the freedom to choose his own God. It also has the freedom to say no to God. Those who choose the true God choose the true life. Are other choices in free will clear from this?

God has said that man became like God

when he ate the fruit of the tree of knowledge of good and evil.*(Genesis 3:22 Jehovah God: Man has become like one of us to know good and evil;)*

But the completeness or completeness of God is not seen in human life. Therefore, we can see that the completeness and integrity of human life and the straightening of the mistakes in their lives is through the perfect teacher called Jesus, through the New Testament. God's Spirit enters into the place of the sinful human soul through its purification and man becomes a new creation. The idea of God can be seen in this sinful life of man. The Scriptures shut everything under sin so that those who believe may receive the promised Holy Spirit through faith in Jesus Christ.*(Galatians 3:22 But the scriptures put all things under sin, that those who believe may receive the promise through faith in Jesus Christ.)*

The New Testament reveals the way in which man is redeemed from slavery to

sin as seen before and becomes a new creation.*("Confess Jesus as Lord with your mouth, and say in your heart that God has raised him from the dead."Romar 10:9)*

The human spirit and human mind (which can not be seen) work in relation to the human heart defiled by sin. But the Spirit of God and the mind Christ work in connection with the human heart purified by the Spirit of God. Mind is something that can not be seen by science, but it accepts it. Likewise to acknowledge the invisible God and soul let it be.

****

4. Adam and Redemption.

(God (Jehovah) has made all things for his purpose; With the evil one for the day of disaster*. Solomon shows that (Proverbs 16:4). Then Isaiah says that *'Jehovah is a God who is wonderful in counsel and ex-cellent in wisdom'.(Isaiah 28:29)

It is not so easy to define God through human thought which is authored by sin. But to the people who seek God, He re-veals about the condition of man, about God, and about what is in God about man.

Through the books various religions, we can find that the human community that originated from Adam made their own ef-forts to find God. But the search for God of the children Adam who fell into sin, a precise human genealogy and their is given only by the Book of Truth.*(Luke 3:23-38 Jesus was about thirty years old when he began his work. People thought*

that he was the son of Joseph; 38 Cainan the son of Enos, Enos the son of Seth, Seth the son of Adam the son of God.)

When we look at the world, we can see many books that have prescribed various methods for the forgiveness of sinful human beings. What is in India is called Indian culture? Hundreds of Vedic Upanishads, Panchavedas like Rigveda, Samaveda, Yajurveda, Atharvaveda, Mahabharata etc., Gitapadesa, Ramayana, Devimahatmya etc. are included in it. And the Qur'an, which was revealed after Christ, is another book that prescribes false atonement. The methods found by Muhammad for atonement are recorded in it. All these are only human opinions so it can also be called religion.

It is recorded in the book of Genesis in the Old Testament that after sinning in the Garden of Eden, Adam found his own garment (his own atonement).*(Genesis 3 : 7 Immediately the eyes of both of them were opened and they realized that they*

were naked.)

But God's act of making another sacrificial garment for them reveals God's atonement. The New Testament reveals Adam who was given a sacrificial garment and became the son of God before he became a sinner and was expelled from Eden .*(Luke 3:38 Cainan the son of Enos, Enosh the son of Seth, Seth the son of Adam, Adam the son of God.)*

Let us look at few religions in the world. It can be seen that everything in it says that man is God's creation.The Qur'an says that man is a slave of God. But the 'New Testament' makes men sons of God through Christ.*(John 1:12 -13 But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: 13 They were born not of blood, not of the will of the flesh, not of the will of man, but of God.)*

This special idea of redeeming people

who have sinned and lost God's glory and making them children of God by giving them the spirit of God to live in truth is not something that can be seen in other religious books. Jesus' death on the cross is a stumbling block for Jews. It is stupidity for other castes. But the gospel is the power of God that gives salvation from sin to those who believe.*('I am not ashamed of the gospel; for it is the power of God for salvation to everyone who believes, first to the Jew and then to the Gentile (to all nations). In it the righteousness of God is revealed through faith and through faith'.Romans 1:16)*

Only if man believes the gospel that saves man from sin in the beginning according to God's will, then man can obtain the forgiveness of sins, divine nature, and eternal life as desired by God.*('God has made everything beautiful in its time and has set eternity in the heart of man. But he cannot understand what God has done from the beginning'. Old Testament Ecclesiastes 3:11)*

The four Gospel reveal that Christ (the Anointed One) appeared in human form in the last days to save man, whom God had in the beginning fallen into sin. ***(Psalms 9:16 Jehovah has revealed himself and executed judgment; the wicked is caught in the work of his own hands. Strings. Selah.)***

Adam in the beginning was a living soul, but he did not have the spirit to recognize life and death. But Jesus, who came as the last Adam, lives today among people who believe that he is a spirit capable of guiding people in the truth.***(1Corinthians 15:45 That the first man Adam became a living soul As it is written, the last Adam became a quickening spirit.)('The Lord is a Spirit. Where the Spirit of the Lord is, there is freedom (from sin)'.2 Corinthians 3:17.)***

Let's check if this is the case through the next sections.

****

5. Sacrifice on the cross.

The Bible or the Book of Truth is a book that has been read by thousands of people all over the world. Bible is a book that reveals a great truth as name its suggests. Let it be said with sorrow: The great majority of those who read that book have no idea what truth it contains for the atonement of man.

Bible has two sections. Old Testament and New Testament. The two books of the 'law' contain many small books and have been given by God (Jehovah), the creator of mankind, aiming at the atonement and eternal life of men. The Old Testament was intended for a special people chosen by God; the New Testament, on the other hand, was introduced with a view to the entire human race on earth.*(But there is no other name under heaven given by which man must be saved from sin'. Many who say they are Christians are not clear on the judgment Acts 4:12).*

The second part of the Bible, the book "New Testament" has been presented in such a way that a 'new testament' should remain with the people forever. The New Testament is preached as the gospel all over the world. But the church leadership who do not present this 'new testament' with doctrine and testimony are the knowledge of good and evil; being taught for generations and unable to obey it, the Christian community is drowning in the excesses of materialism and is hastening its journey to hell.*(Isaiah 8:20 Come for instruction and testimony! If they do not speak according to this word -they will not have mercy.)*

God, the creator, initially chose a Hebrew man named Abram to solve the devaluation of sin (immorality) found in all human beings.*(Genesis 12 :1-4 And Jehovah said unto Abram: Thou hast gone forth from thy land, and thy kindred, and thy father's house , and I have made thee Go to the land to be shown. 2 I will make you a*

great nation; I will bless you and make your name great; You will be a blessing. 3 I will bless those who bless you. I will curse those who curse you; All the nations of the earth will be blessed in you. 4 Abram set out as Jehovah had commanded him; And Lot went with him; Abram was seventy-five years old when he left Haran.)

"Because God created everything for His purpose, He does not give reasons for any of man's questions in the descriptions of the Old Testament."***(Proverbs 16 :4 Jehovah hath made all things for his own purpose; even the wicked for the day of evil. Job 33:13 Why dost thou plead with him? For he gives no reason for any of his things.)***

When Abram was chosen about two thousand years before Christ, God's plan was not fully revealed to him. Even the things that will happen in the distant future are different from what they have experienced before, Abraham and his wife Sarah felt against hope, but they did not

doubt God's promise through unbelief but in faith. It is recorded in the New Testament that he was strengthened and gave glory to God ***(Romans 4:19-21 And being not weak in faith, he considered not his own body now dead, when he was about an hundred years old, neither yet the deadness of Sara's womb:20 He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God;21 And being fully persuaded that, what he had promised, he was able also to perform.)***

This was a foreshadowing of what men were to achieve through faith in the invisible God. We should know that the atonement that man receives is achieved through faith in Christ and the God who sent him.***(John 14:1 Let not your heart be troubled; believe in God , believe also in me.)***

When Abraham believed the gospel that all the peoples of the earth will be blessed in the seed of Abraham, it was a shadow

of the message (gospel) that saves man from sin through faith in Jesus.*(Genesis 12:3 All the families of the earth will be blessed in you. Acts 3:25 "In your seed all the families of the earth will be blessed." God said to Abraham, "You are the children of the law and the prophets that he made to your fathers.')*

Jesus was tried during the reign of the Roman ruler Pilate (AD-30-38). Pilate asked Jesus what truth means. But after Jesus died on the cross and ascended to heaven, his disciples revealed that truth. Some revealed it through the preaching of the Spirit of God. They revealed that the truth of atonement is available through the death Jesus on the cross. *(John 18:38 Pilate said to him: What is truth?)*

When Jesus was with them, he advised that 'You will know the truth and the truth will set you free (from sin).'*(John 8:31-32 Jesus said to the Jews who believed in him: "If you continue in my*

word, you are truly my disciples, 32 and you will the truth know."The truth will make you free.")

This truth, this blessing is the glad tidings to all mankind contained in the book called the New Testament, the 'newtestament'. When the crucifixion and resurrection took place, a supreme and eternal 'new law' of atonement was established. The name Abraham means father of many nations.

Different churches have adopted different policies regarding the number of small books in the Bible. There is still a dispute between the churches regarding the number of books of the Old Testament, but it can be said that the churches are united in the number of books of the New Testament. Because it is the new testament that teaches the law of atonement that must remain in man forever. The disciples propose a form of teaching for the atonement of sins by giving testimony - what they have seen, heard, and experienced. But a

person who reads the four Gospels in the New Testament will not immediately find that Jesus spoke at all. But Jesus Christ chose a disciple named Paul as the thirteenth. It was that disciple who informed that the mystery of the cross is for the atonement of sins. In the descriptions given by him, importance is given to the testimony of the cross. Also, the accounts (epistles) of the disciples Peter, James, John, and Judah are the correct interpretations of the four gospels.

The Bible has two sections. It is the Old Testament and the New Testament. The commandments to keep the people of Israel, chosen by God for His purpose, from sinning can be seen mainly in the Old Testament. There are also sacrificial offerings for the atonement of man who transgresses those commandments has been suggested. (Exodus, Leticus)

Sinners who offered sacrifices were justified by it. In addition, we can see the devotees who found that life according to God's commandments is not possible for

man and confessed that weakness and believed and relied on God's power and lived as righteous people.*(Jeremiah 10:23 O LORD, I know that the way of man is not in himself: it is not in man that walketh to direct his steps.)*

The book shows the warning to those who break the commandment not to make or worship idols, the punishment for it, the ministry of the prophets, the warning of the coming savior, the royal systems, the building of a temple and its destruction, and many scientific truths. Mainly the people who came to Canaan were chosen by God Its brilliance is a wayward life. Four hundred years after the prophecy of Malachi, the thirty- ninth book of the 'Old Testament', the Old Testament period ended and the New Testament period began with John the Baptist's revelations about Jesus.*(Matthew 11:13 All the prophets and the law prophesied until John.)*

The Old Testament, on the other hand, shows a legal system that is comprehen-

sive and complete, in such a way that a man can not commit any sin, and can do all good deeds, and attain eternal life. There is no other religious book on earth that has given such perfect rules. The Bible in the constitutions and legal systems of many nations Rules are included. Because it was a perfect legal system that was given by Lord about 1500 years before the constitutions that we see all over the world were established. The writers have named that system' the perfect law of Jehovah'.*(Psalms 19:7 The law of the Lord is perfect; it cools the soul. The testimony of the Lord is faithful; it makes the foolish wise.)*

It was given to the 12 tribes of Israel, the sons the son the son of Abraham, who were called and separated by Jehovah God. These people are generally called Jews.

On the other hand, in the Old Testament, while the law of not committing sin exists, it is shown that sinful activities do not end because the person who commits sin

is alive even after the atonement. But in the New Testament, the person who sins is also included in the atonement while excluding other sacrificial items for atonement.

God's counsel is revealed to the people who receive the atonement forever. So that man is forever freed from the slavery of sin in such a way that he can not sin "anymore".
(Romans 6 : 6-7 We know that our old man was crucified with him so that we would be freed from the body of sin so that we would no longer be slaves to sin.)(John 8:11 "No, Lord," she said. "Neither do I condemn thee: go, sin no more,said Jesus.")

The way for that is' Jesus showed us when he tore the veil of his body'.
(Hebrews 10:19 Therefore, brothers, Jesus through the veil of his body became a new way of life for us,)

It is trustworthy for all people and it is enough to produce the result of what eve-

ryone should believe. In this way, both laws aim at the atonement of sins, but the second law is a new law that gives man eternal freedom from sin.

What God did was to show that the people (Israelites) who received the laws of the' Old Testament' with thirty-nine books recorded by forty male writers had a weakness in them that they could not fulfill the commandments.*(Romans 3:20 By the law comes the knowledge of sin.)*

But only the people to whom the hands of God have been revealed to understand those things. That is why many people who died in violation of God's law can be seen in the 'Old Testament'. They got the perfect legal code for human life. But they could not understand that because of the slavery of sin, man cannot live according to it.
In the New Testament, the author notes that those who were atoned for by sacrifices were not made perfect and that the Old Testament or 'the Law' was a shadow of the good things to come.*(Hebrews 10:1*

The law is not the true image of things but a shadow of the good things to come, so it is never able to bring good to those who come near with the same sacrifices that are offered year after year.)

Humans should understand that Adam, the first parent, fell into sin as the first step towards fulfilling God's purpose. The word that says that by the death of Christ bearing the punishment for the sin of the man who was put into sin in His body, man has been completely cured (saved) from the symptoms of sin that are being produced today(The Gospel) is a perfect, powerful message worthy of producing the full effect of what man can believe and all must believe. But the Christian leadership, believers, or other groups of people in these times do not agree that the forgiveness of sins that man receives is a complete thing on earth. Sin, which is human weakness, is in him knowingly and unknowingly They teach that sin will do the authorship. But this opinion is contrary to the word, satanic and gives

the opposite effect in life that should be hoped for. Jesus' command to "sin no more" remains. Therefore, man himself can question whether living according to the law will be effective in humans.*(John 8:11 "No, Lord, "she said. "Neither do I condemn you; go, sin no more, "said Jesus.)*

The people of Israel who came out of Egypt under the leadership of Moses were unable to cross the Red Sea. They were afraid and cried out when they saw the Egyptians who were behind. There God spoke to Moses like this.*('Take the rod and stretch out your hand over the sea and divide it'.Exodus 14:16)*

Through this illustration, God is teaching man that those who believe and obey God will have the power in themselves to do things that are impossible for man. They completely forget that "He has taken away sin" by placing the entire responsibility of sin on human weakness.*(John 1:29 The next day he saw Jesus coming to*

him: Behold the Lamb of God, which ta-keth away the sin of the world;
1 John 3:5 Ye know that he appeared to take away sins; There is no sin in him.)

such evangelists should learn to preach and live the "works of faith and the life that fulfills every desire of virtue" that emanates the precious faith that man keeps in Jesus.
(2 Thessalonians 1: 11-12 Therefore we, by the grace of our God and the Lord Jesus Christ, that the name of Lord our Jesus may be glorified in you and you in him. 12 Our God will call you his own.I always pray for you that you may be counted wor-thy and perfect every good interest and work of faith with power.)

They completely forget the word of faith that sin will not have dominion over you because you are under grace and not law.
(Romans 6:14 For sin shall not have do-minion over you , for ye are not subject to the law, but to grace.)

They did not understand how to obey the

command of Jesus. They give forgiveness to poor believers using their wealth. Buying tithes. Through it the entrance to heaven is opened for them. Jesus spoke about a life that can bear fruit for humans. For the religious authorities, the sinful weakness of man became a means of making money. Congregations are the venues for confession, preaching, healing, and witnessing of sins. Through that, the modern churches have doing to build a priestly system equivalent to the Old Testament system. A life free from sin as preached by the Savior Jesus and interpreted by the apostles is a major theme. But it must be said that it is not only a topic of today's leading church Christian preachers.*(Romans 6:6 We know that our old self was crucified with him, so that the body of sin might be put away, so that we would no longer be slaves to sin.)*

Jesus is able to completely save the people who believe in him, so that they cannot go back to the sin they have left! The meaning of the name Jesus is the one who

saves from sins.*(Matthew 1:21 And she shall give birth to a son; and thou shalt call his name Jesus, because he shall save his people from their sins.)*

The reader can see in the 'Old Testament' that birds and animals are offered for atonement without including the sinning man in the atonement. (Leviticus)

The service of atonement was performed by priests who were anointed by God and dressed in special costumes. But it can be understood from the New Testament that person with sin motive is alive in that man even after the atonement. *(Galatians 3:21 If a law had been given that could bring life, the law would indeed have been the foundation of righteousness. Hebrews 7:18 because of its weakness and futility to the former commandment.)*

But the New Testament believer is included with Christ in the sin offering. If he lives after the atonement and sins again, the gospel of Christ is in vain. Crucifixion is priceless. Paul openly writes

that the gospel that is not preached with testimony of sinful man's participation in the atonement is false and is not heavenly. ***(Galatians 1:8 But if we, or an angel from heaven, preach the gospel to you contrary to what we preached to you, let him be accursed.)(The law of Jehovah is perfect; It cools the soul."Jehovah's testimony" is reliable; It makes the fool wise.'Psalms 19 : 7)***

This description, this divine testimony of the Old Testament devotee is a shadow of Christ's testimony on the cross.

The knowledge of good and evil found in the book of the New Testament, as well as the Christian priesthood, which cares men, must study is an eternal law for the removal of the debasement of sin in man.

We are knowledgeable about religious studies and moral life studies. Among them, there are many who have kept in mind the commandment "Do not covet anything". ***(Exodus 20:17 You shall not covet your***

neighbor's house; you shall not covet your neighbor's wife, his manservant, his maid-servant, his ox, his donkey, or anything that belongs to your neighbor.)

Isn't the kindsvarious of sins found even in religious believers a violation of this commandment?

We have already seen that sin (devil) dwells in human flesh. Because such a person is commanded not to covet in various life situations, sin creates covet-ousness in his heart.

The young and old people are attracted and seduced by the desire created in this way and become the occasion to commit sins outside by fulfilling that desire. ***(James 1:14-15 Each one is tempted by his own lust and is enticed. 15 Lust conceives and gives birth to sin; and sin is full and gives birth to death.)***

The Prophet Muhammad in his writings Qur'an Surah 33 Ahsab verse 32 said that when the "wives" of the Prophet Mu-hammad talk to other men, he who has a

disease in his heart may feel lust for them; is written From this we can see that Muhammad understood the sin of heart disease. But the Bible says that the real disease is the heart disease which is sin. The truth is that Muhammad or his followers could not understand that it was removed by the prophet Jesus! ***(Isaiah 53: 4 Truly he hath borne our sicknesses; he hath borne our pains.)***

It is enough for the human race to admit that the source of all kinds of sinful activities is due to the desire in the heart! All human beings from infancy are enslaved to sin and engage in sinful activities.***There is no man who does not commit sin.*** **The Old Testament book shows that (1 Kings 8:46).**

Eve, who had lust born in her heart by the instigation of the devil, was deceived and sinned. Sin (the devil) and the process of creating lust are still in the world today. The devil in Eden lived outside the heart of the Adam couple. They were also

free to deal with God according to His will. But of the devil When they fell into deception, he (Satan) took over the rule of their bodies. Are n't we seeing the evil deeds resulting from it on earth today? Sin creates lust in man and leads commit sins. Watch this ...

Sin ... ———> Lust —————--> Sin

(Romans 7:8-11 Sin, having opportunity, by the commandment, created in me all kinds of lust; 9 Sin, having opportunity, by the commandment deceived me and killed me. James 1:14-15 Each one is tempted by his own lust and is enticed. 15 Lust conceives and gives birth to sin; sin is full and gives birth to death.)(John 8:34 'Whosoever committeth sin is the servant of sin'.)

This in turn is like the woman first came from the man and today the man comes from the woman.

Male .... > Female .... > Male ..

(Genesis 2:22 Jehovah God made the rib that He took from man into a woman, and brought her to man. 1 Corinthians 11:12 As the woman came from the man, so the man came through the woman; but God is the cause of everything.)

The media provides us with visual and audio descriptions of every man being tempted by his own lust and stepping into sin without the barrier of language difference. Sin is an act that God has permitted and can be done by anyone of the human race, regardless of age, without any training or studies. But God, who thus left man in sin, has a purpose,that is,*'(Devotion to Jehovah is wisdom; Writers add that God has also said that walking away from evil is wisdom. Job 28:28)*

The commandments that the Jew received through the legal system did not protect him from sinning. God did not give them a legal system (law) that could give life to man (not to do evil).*(Galatians 3:21 If a law had been given that could*

bring life, the law would indeed have been the foundation of righteousness.)(Ezekiel 20:25 I gave them laws that were not good and judgments that were not suitable for salvation.)

What God did there was to make them understand what sin is and what is not sin.
(Romans 3:20 By the law comes the knowl-edge of sin.)

God does this to show that sin does not go away because the sinner is alive, and that sin is gone only when the sinner dies.*('Let sinners perish from the earth; Let the wicked be gone. Psalms 104 :35,)*

The psalmist's concern is the search for new life in the soul. Therefore, through the New Testament, it is God's plan that the sinner (the wicked dies and the sins are done away with; that God shows you. Therefore we can see this law as the new, higher, superior and last law.

The Qur'an, which was revealed after the New Testament, is another distorted form that was later added prepared by adding laws that the people who received it did not like and wanted to cancel (the laws of triple talaq and polygamy are some examples), but the Old Testament was perfect in itself. Therefore that book (Qur'an) is human opinions (religion) are only.

With the death of many sinful men, that land is cleansed of sin. God enforces this same principle as a new law in the sinful man (the devil). For this Christ shows us His death on the cross with two unrighteous men. It is this testimony of God that imparts wisdom to the little mind that believes. Only a man who has lived and seen death can save his soul from eternal death.***(Psalms 89:48 Who is the man that liveth and seeth not death? And who delivereth his soul out of the hand? Selah.)***

This is how Jesus describes the story of the psalmist.***(Mark 9:1 , Luke 9:27 'Truly, I say to you, there are some of these stand-***

ing who will not taste death until they see the kingdom of God come with power')

While still alive, man is experiencing death, the penalty of sin, by faithThen that man is lucky.*(Psalms 89:48 Who is the man that liveth and seeth not death? And who delivereth his soul out of the hand? Selah.)*

If we study about the intelligent being called man, we can see that he is a person who passes from birth through growth to death. Man comes to earth as a sinner (sin bearer). He commits sin not because sinful circumstances come before human life. Every tree bears its own fruit. In the same way, even a man who has a clear knowledge of good and bad commits sin (evil) in conscious and unconscious sleep. He has to live like that for some time, that is, until he comes to his senses. Because of the guilt of the prodigal son, he returned to his own home In between. (Gharvapassi.)*(Luke 15:17-21 Then he came to his senses and said: How many of my father's hired servants eat and leave,*

but I perish with hunger. 18 I got up and went to my father and said to him: Father, I have sinned against heaven and against you. 19 Now your son I am not worthy of the name; He said make me like one of your hirelings. 20 So he got up and went to his father. His father saw him from a distance and ran to him and hugged his neck and kissed him. 21 The son said to him: Father, I also to heaven I have sinned against you too; He said that he is no longer worthy to be called your son.)

But Jesus lived on earth as one who did not know sin. Even if you travel through other religious books, you can see people and gods who led a sinful life.

God (Jehovah) has created all human hearts with the same sinful tendencies for the fulfillment of a complete purpose for man.*(Psalms 33:15 He fashioneth their hearts alike; he considereth all their works.)*

There are tendencies to error in the hu-

man spirit. It is in that spirit that precious, pure, supremely holy and genuine faith is given. Through it the human soul attains purification. Thus, Jesus taught his disciples through parables that by receiving the Holy Spirit, man can produce good fruit in life through faith.*(Matthew 8:13 'As you have believed, so be it to you'. 9:29 said , "According to your faith so be it to you')*

The sinful nature that lives in a person does not die because of participating in Christian groups and confessing, because of confessing guilt through religious instruction that teaches about good and evil, because of speaking in foreign languages, because of chanting spiritual songs, because of climbing mountains with a wooden cross, or because of giving or receiving miraculous healing. Such rituals nothing is God's prescribed means of atonement. Even if one makes religious offerings, recites mantras day and night, throws stones at the devil who is said to be living in a distant land, even if one

somehow lives and gives food, even if one practices yoga techniques that give the arts of life, the sin that resides in man does not die according to God's will. Sin is what God has allowed in the human body given as a gift by God, but which God does not like. That is why the writer of the Gospel Matthew makes it clear that the adulterous man who lives with the mind of another person (the devil) must be changed.

(Matthew 19:12 There are those who are born eunuchs from their mother's womb; there are eunuchs whom men have made eunuchs; there are eunuchs who have made themselves eunuchs for the sake of the kingdom of heaven; let him who can understand let him understand.)

But God calls the man who lives in a sinful body to have have the mind of Christ. The gospel instructs a man who is born a eunuchs (who has the image of God and the mind of the devil) to convert to another eunuchs (who has the body of sin and the of Christmind)! Souls, in other words, are a group of people chosen by

God.*(Exodus 1:5 The souls that came out of Jacob 's den were seventy in all;)*

In the Old Testament we can see that a person named Jacob is also named Israel. *(He said, "Because you have wrestled with God and men and won, your name shall no longer be called Jacob, but Israel."Genesis 32:28)*

When Jacob was chosen by God, he was changed to Israel. These are the two natures of man in Christ. Jacob is the nature of sin and Israel is the nature of the redeemed.' The law of redemption is a law to Jacob and an everlasting law to Israel'.*(Psalms 105 :10 He appointed it as a statute to Jacob and as an everlasting law to Israel.)*

As the book of Genesis describes, we can see God who saw all things good.*(Genesis 1 : 21And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his*

kind: and God saw that it was good. 22
And God blessed them, saying, Be fruitful,
and multiply, and fill the waters in the
seas, and let fowl multiply in the earth. 23
And the evening and the morning were the
fifth day. 24 And God said, Let the earth
bring forth the living creature after his
kind, cattle, and creeping thing, and beast
of the earth after his kind: and it was so.
25 And God made the beast of the earth af-
ter his kind, and cattle after their kind, and
every thing that creepeth upon the earth
after his kind: and God saw that it was
good. 26 And God said, Let us make man
in our image, after our likeness: and let
them have dominion over the fish of the
sea, and over the fowl of the air, and over
the cattle, and over all the earth, and over
every creeping thing that creepeth upon
the earth.
27 So God created man in his own image,
in the image of God created he him; male
and female created he them. 28 And God
blessed them, and God said unto them, Be
fruitful, and multiply, and replenish the
earth, and subdue it: and have dominion

over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. 29 And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. 30 And to every beast of the earth, and to every fowl of the air, and to every thing that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so. 31 And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day.)

But can we say that the present human life is good after that? Man can be good to the extent of good only if God allows him to be good. If an instrument were allowed to test the extent to which mankind, passing through the stages of childhood, youth, adolasense, and old age, are able to restrain the lusts which the sinful nature of man brings, the result of that calculation would be only a small per-

centage. However, if mankind, which is an adulterous and corrupt generation, believes in the atonement laws of God, the Creator, and gives human participation for atonement as He requires, any man can become Christ-minded. Through that he gets a new life like that Master who is not the author of sin. The life of a person who believes in this way will reach the top. Even his sleep will be good.*(Psalms 3 : 5 I laid me down and slept; I awaked; for the LORD sustained me.)***

If the search for the truth of the Hindu saints could be ended in Christ!

Jesus has said that when a person completes his training in the form of teachings taught by Jesus, when he becomes like that teacher, the seed which is the word that fell on good ground will sprout and grow and produce a hundred fruits. ***(Matthew 13:23 What is sown on good ground is the one who hears the word and understands it, and it bears a hundred,***

sixty and thirty fruits.)

If you search and read in Jehovah's book, you will see that it is written that people who have received atonement through Jesus are perfect in Christ.***(Isaiah 34:16 Search and read in the book of Jehovah; nothing shall be missing in them; nothing shall be without a mate; for his mouth hath commanded; his spirit hath gathered them together.)(Colossians 2:10-11 In him you have been perfected, who is the head of all authority and power. 11 In him you have received the circumcision that was not made by hands, because the body of the flesh was put off by the circumcision.)***

The human body, which causes sin, and the old man (soul) that resides in it; let's experience a death with Christ so that man will no longer be a slave to sin. Let the sinful body perish like a bad thief and never return! Let the soul that has suffered the penalty of death rise with Christ like a good thief.

Apostle Paul explains that this testimony

on the cross of Christ is "the testimony of Christ".*(1 Corinthians 1:5 As the "testimony of Christ"is sure in you. 2 Timothy 1:8 Therefore, do not be ashamed of the "testimony of our Lord" and of servant, and suffer with me according to the power of God for the sake of the gospel.)*

By witnessing the participation of sinful man, the gospel instructs us to believe and obey it as a form of doctrine.*(Romans 6: 17-18 But though you were slaves of you obeyed the doctrine that was taught to you wholeheartedly. 18 Thanks be to God because you were freed from sin and became slaves of righteousness.)*

Such unseen things are, when a man accepts the death of man (sinner) with Christ through his faith, it becomes the place for the removal in him of sin, rebirth and the coming of the Holy Spirit.

('Behold the Lamb of God, which taketh away the sin'. (John 1:29) is what John the Baptist revealed about Jesus.)

In the Old Testament, the twelfth chapter of the book of Exodus indicates that the people eat unleavened bread in the evening of that day, along with slaughtering and eating the lamb according to the law. A foreshadowing of the destruction of the sinful life and the acceptance of the new life is to be seen in eating flesh of the lamb and eating the unleavened bread. What can It represents the acceptance of the pure and true life of the Israelite (redeemed) who receives the unleavened bread. Our Passover lamb has been slain. Therefore, we do not have the old flesh that is sinful.

Instead, Paul reminds the believers through the epistle to keep the festival (happy life) from the heart that has kept the faith.***(1 Corinthians 5:7, Therefore let us keep the same festival not with old leaven, not with evil and wicked leaven, but with pure and true unleavened bread.) (Proverbs 15:15 A happy heart is a perpetual feast.)(Matthew 5:13 'You are the salt of the earth. If the salt has no flavor, with***

what can it be flavored?')

Because of the salt inside and outside the food item kept in salt, it will not get damaged. Moreover, the uniqueness of that object is lost and it takes on the uniqueness of salt. Similarly, the man who is filled with faith and lives by faith is secure in Christ. To protect Abraham's seed in faith He came.*(Hebrews 2:16 He came not to save the angels, but to save the seed of Abraham. 1 Peter 1:4, For the salvation that is ready to be revealed in the last days, and for you who are guarded by the power of God through faith,)*

Jehovah or Christ, the God of Israel, we cannot see the Holy Spirit as personified today.*(John 4:24'God (Jehovah) is spirit'). (2 Corinthians 3:17 'The Lord (Christ) is Spirit')*

The Holy Spirit is the Spirit of God and Christ. This Spirit of God works in believing men as a fully human personality, in creation, as a power in healing, and as a Spirit of grace. The unity of these three

names can be seen in all the works of God and in the forgiveness of sins.

(Thessalonians 5:23'May the" God himself purify you completely.)(John 1 :7 'The blood of his"son" Jesus cleanses us from all sin'.)(Acts 15:9 'The Holy Spirit purifies the hearts of men by faith.')

(Some people teach that there are three persons in God. The names are Father, Son and Holy Spirit.(Trinity)

Man is created in God's own image. Externally man sees one person and internally two people in spiritual manner. One is the soul and the other is the sin (body, satan) or the devil. But it can be seen that these two person are guided by a human spirit. Soul and Body (Devil); Husband and wife are the manifestation living together. They are joined together by the law of marriage so that they are one body. Likewise the soul and the body are united by the law of sin. Similarly, in God, who was seen in human form, Jesus, the perfect man, and God the Father re-

sided. Their spirit is the Holy Spirit.

The soul and the sin are joined together by the law of sin. Husband and wife are united by conjugal law. Likewise, the Father and the Son are united by the law of love. The human nature seen in Christ is the model of man in God's plan. The soul and the sin are joined together by the law of sin. Husband and wife are united by conjugal law. Likewise, the Father and the Son are united by the law of love. The human nature seen in Christ is the model of man in God's plan. God is a combination of two persons with the Son and Holy Father, and the human being is the flesh form with the one human soul which is the union of two persons.(soul and devil)

Through these words we should understand the works of the Father, Son and Holy Spirit. Jesus Christ came to earth in his unique personality. Two thousand years ago, he came to earth to stand as a witness to the truth. Jesus lived in the likeness of human flesh that day. But he did not have the personality of any human being then or living today. Christ Je-

sus was not the personality of those chosen by God, the personality of the prophets, or the personality of the Prophet Muhammad!

If we examine the creation of man, it is after Adam sinned that wherever we look today, man has become the cause of increase through the physical law of sexual intercourse. This relationship is permitted by God to humans but it is not divine; in anyone under such a physical law, God in all His fullness does not live Anyone who is born like this cannot become God. But such people are capable of becoming prophets , apostles, and evangelists. Therefore, this activity alone is separated from other physical activities, and even husband and wife who are united by law with blessings - Being in secret is also seen. Otherwise they become punishable by judges. Our society and all religions consider it a crime. Since humans are born as sinners, God's will to be"born again" by the Spirit of God must be fulfilled by being cleansed from sin in

Christ. God wants man to leave the knowledge of good and evil and man to become a'new creation'.

"All old things have died; if anyone is in Christ, he is a new creation."God asks people to produce the fruit of the new creation by saying, ***(2 Corinthians 5:17 "If anyone is in Christ, he is a new creation; the old has passed away, behold, the new has come.")***

The New Testament writer records that Adam's firstborn, Cain, was born of the evil (devil).***(1 John 3:12 It is not as if Cain killed his brother because he was from the evil one; why should he be killed? Because his own work was evil and his brother's was righteous.)***

When we look through the words of Jesus it can be seen that all human beings are the children of the deceived father Adam (devil). Therefore, it can be seen that man is trying to fulfill the desire of that father.

Here jesus says about the character of devil.*(John 8:44 Ye are children of the father the devil; the lusts of your father will do. He From the beginning, he was a tribal slayer; Because there is no truth in him, he does not stand in the truth. When he tells a lie, he takes it from himself; He is the liar and the father of it.)*

John the Baptist addressed those who came to him to be baptized as serpents (sons of the serpent.)*(Matthew 3:7 And when he saw many of the Pharisees and Sadducees coming to his baptism, he said to them: Who is it that taught you to flee from the wrath to come, you brood of vipers?)*

Doesn't today's human life prove that this is so true? Even a man who is considered high by the society, when he is caught for his mistake and shows regret, he himself proves that a power that has him conquered.

God is a God of perfection. He is merciful and just. He is with the good, and gives all good things to the good and the bad.

He does not give vision to anyone in personal form. The Holy Spirit dwells as a fully human personality in believing people.

Two thousand years ago, Jesus lived on earth for thirty-three and a half years. Adam's descendants also lived on earth at that time. But if the fullness of God resided in the body of Christ, then by denying, betraying, and running the Master, the devil resided in the human form of the disciples, including the disciples. They proved that the devil lived in the human form of the disciples: proved by actions. Sinful natures have been inherited by sinful mankind. He had no such manner of life, look, or thought.
Such is what he does not get and cannot get. From the day he was born on earth, he lived in a holy body under the law with full human personality. It is said in the scriptures that 'the man who does this will live' in the Old Testament only about Jesus and in the New Testament life by faith, it's about issuers.*(Leviticus 18:5*

Therefore you shall keep my statutes and judgments; the man who them shall live; I am Jehovah ., . Romans 10 :5 Concerning the lawrighteousness: " The man who does it shall live because of it Moses wrote"
When you believe, it will be done to you") ***(Matthew 8:13 and your faith will save you (Mark 5:34," Daughter , your faith has saved you ;)***
"Jesus has tried to teach that your life will be perfect by faith.

It is faith in the death of Jesus on the cross that helps man to produce the righteousness the law of the 'Old Testament' demanded from men.***(Matthew 5:17 Do not think that I have come to destroy the law or the prophets; I have not come to destroy, but to fulfill.)***

When Jehovah revealed Himself (in human form) and took the punishment of sin in Jesus' (own) body; ***(Psalms 9:16 Jehovah has revealed Himself and executed judgment; the wicked is caught in the work of his own hands. Strings. Selah.)***

That punishment was also a punishment for the human flesh that could not obey God's command. When every man accepts this punishment by faith, man becomes free from his sinful flesh and the legal system given to that flesh.*(Romans 7:6 But now, being dead to the law that held us captive, we are freed from the law; serve not in the oldness of the letter but in the newness of the Spirit. Galatians 5:18 If you walk according to the Spirit, you are not under the law.)***

Death is not a condition that completely destroys everything. It is going from one state to another.. The death of Jesus happened in two places. The first death occurred when his body was given to his disciples.*(Luke 22:19 Then he took bread, blessed it, broke it and gave it to them, saying: "This is my body which is given for you; do this in memory of me.")***

The second death was that of his soul. "As it is appointed unto men once to die,

and after that the judgment."*(Hebrews 9:27 For it is appointed for men to die once , and after that judgment;)*

It was also applicable to Christ. In the judgment of His soul , He committed His soul (soul) into the hands of the Father. *(Luke 23:46 Jesus cried out with a loud voice , " Father , into your hands I commend my soul "; after saying this , he gave up his soul.)*

Human flesh must return to the soil from which it was taken because of sin. But according to the the Lord's example, man should also return his soul. God does not accept what is impure according to any religious thought. According to the model shown by Christ on the cross, the destruction of man's sins, the purification of the soul and eternal salvation should take place. (And the soul of Jesus Christ The body also fulfilled God 's will. But the sinful human body is not qualified to fulfill God's will.)
The example He set before sinful men

was to live righteously. It is not the purpose of God that man should live like that by using it as an example. The first thing that man should accept is the example of destruction of sin. But how surprising it is that people try to follow Jesus only by reading books without getting the death of sin and not burying the dead as per the call of Jesus!

According to God 's thought, it is not possible for any sinful man to walk in God's way (as Jesus lived) without turning away from sin. That is why God asks man to produce the fruit by receiving the Holy Spirit by following Christ with the cross (parable) and nailing the sinner to the cross.

His being crucified with the unrighteous is a parable of that.*(Matthew 7:21, 'Not everyone who says to me, Lord, Lord, the one who does the will of my Father who is in heaven will enter the kingdom of heaven. Galations 2:20 I am crucified with Christ: nevertheless I live; yet not I, but*

Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.)

Let the entire human race be able to submit to God's will, believing that God has crucified the human body (sin) and nailed it to the cross. Jesus said through his words that if we do not redeem our soul in Christ, we will have to pass into another state of existence which is eternal death. it has been said;*(Luke 13:4 -5 No, do you think that those eighteen who died when the tower in Siloam fell were guilty of all the people living in Jerusalem? 5 No, I say to you, unless you repent, you will all perish in the same way.)*

Christ 's death was a similitude. Therefore the sinner 's death with Christ is not literal. (Likening it to His death) It is only faith. Man is the one who sees and experiences all things with reason and with the help of science. But God tells man to see things that have not happened by faith.

Man sees it as foolishness. God says to such people;*(1 Corinthians 1:25 The foolishness of God is wiser than men , and the weakness of God is stronger than men.)*

In the Mahabharata story, when Panchali', had subjected to undress, by Duryodhana's army she described them as "sinners". The Prophet says that Allah, who forgives the sins of the past and future sins of Muhammad's life, aims at the purification of sins.*(Quran Surah 48 Fath 2-3 so that Allah may forgive you for your past and future shortcomings,3 perfect His favour upon you, guide you along the Straight Path, and so that Allah will help you tremendously.) .*

But the resurrected Jesus did not have any sinful personality. Jesus is able to appear in his body even today. He, who is still alive today, appeared to his loved ones in such a body. (He was resurrected in the same body that had those wounds.) Apostle Paul writes like this, similarly that a new spiritual body is also

received by the person who participates in the resurrection.*(1 Corinthians 15:44, 49 The original body is sown, The spiritual body rises; If there is a physical body, there is also a spiritual body. 45 For it is written that Adam, the first man, became a living soul, and the last Adam became a life - giving spirit. 46 But not the spiritual but the primitive is the first; Spirituality comes in the latter. 47 The first man was made of dust from the earth; The second man He is from heaven. 48 Earthly as the earthy, and heavenly as the heavenly; 49 As we have put on the image of the earthly one, we will also put on the image of the heavenly one.)*

It can be seen that those who wear the primitive body (sinful body) get the spiritual body just as after the primitive nature (sinful nature) comes to man. Christ did not have a primitive body with an unconscious mind. He was born , lived , died and resurrected in that divine body. Father , The Son, and The Holy Spirit are found throughout the New Testament. When God the Father became fully di-

vine and human, it was revealed in the bodily form of Jesus. " In him dwells the fullness of God in bodily form" ***(Colossians 2 ; 9 In Him dwells all the fullness of God in bodily form.)***

The soul of Jesus is the Holy. By the will of God the Father, Jesus gave himself up and died on the cross. The blood became the blood that washes away the sins of men. Because it is added in the Old Testament that the cleansing of sin is only by blood.
(Hebrews 9:22 According to the law almost everything is cleansed by blood ; there is no redemption except by the shedding of blood.)

The atonement of the Father, the Son, and the Holy Spirit shows the perfection of God's intervention. Another purpose of the full human personality revealed in Jesus is to see that personality is promised to those who believe in Him. To obtain that personality is to say that the sinful nature of Adamic man was ended on

cross with Jesus Christ. Only for those who believe!

Jesus, the Mediator, was born on earth by a virgin by the Holy Spirit through divine intervention. His body was not a body in which sin and its lust reside. He becomes holy. No one in the body with sin and its lust dwell is worthy of the title of saints. But Although the human body is not pure, it can be said that the soul of the redeemed is pure. (In similes, the body is also holy. Similes are likening one thing to another. Even If the body is not pure, then the soul is like that.) Under the perfect law of God, the only person born of woman and lived with all the righteousness of God's law is Jesus. He was the perfect man. He was like that in himself. It was a body blessed by God as the Prophet wrote in the Qur'an. (He does not need the law of life to live on earth.)
(John 8:55 Yet ye have not known him; but I know him: and if I should say, I know him not, I shall be a liar like unto

you: but I know him, and keep his saying.)

Lust, anger, covetousness, and desire arise in man through birth through physical intercourse, but none of this dwelt in Jesus Christ. He is the God over all, blessed forever and ever. Amen.....! .....! ***(Romans 9 :5 The fathers belong to them, and from them Christ according to the flesh was born , who is God over all, blessed forever and ever.)***

A person who believes forever that God the Father sent His Son to earth for the atonement of sin, that Jesus died for my sins, and that I, along with Him, died for sin and rose again to be freed from sin, is freed from sin forever. The Holy Spirit comes and dwells in a person who confesses faith. That doesn't mean you have to live a sinless life. Because sin is related to the flesh. The apostle writes that the perfection of the true life comes from obeying the faith that the Spirit directs ***(Romans 1:6 He received grace and apostleship to bring obedience among all na-***

tions for his name's sake. 16:24 -26 In obedience to the revelation, which ancient times was hidden and has now been revealed, 25 by the writings of the prophets for the obedience of faith to all nations according to the decree. 26 To the only wise God, through Jesus Christ, be glory forever and ever, who is able to establish you according to my gospel and the preaching of Jesus Christ. Amen.)

When a man believes and obeys that law in which sin (flesh) has been removed, sin will not rule in that man's life.*(Romans 6:14 For sin shall not have dominion over you , for ye are not subject to the law , but to grace.)*

It is the Word that binds man under sin. The law of redemption from it is a rule to be observed forever. That law and Jehovah's atoning authority are separate and awesome.*(Psalms 105:10 He appointed it as a statute to Jacob and an everlasting law to Israel. Psalms 111 : 10-11 He has sent redemption to His people, He has*

commanded His law forever; His name is holy and awesome. 11 The fear of Jehovah is the beginning of wisdom. All who observe them have good intelligence; His praise endures forever.)

The redeemed must believe that the forgiveness given by Jehovah is complete. Man can produce the fruit that God wants only from such deep faith. Humans and angels who have knowledge of good and evil should understand that God's counsel is wonderful and that he intervenes in actions with great grace and power. Man was created by Soil and water, the five elements of fire, air and light, Adam was a soul with an innocent body. Adam was a soul with an innocent body, in whose body there was no temptation in itself. But temptations can arise from impulse. Adam had just such a perfection. (It caused him to be cheated.) Souls can also be understood as one who is dear to God. Those who have been saved from sin through Christ can also be called souls. In the past, other

meanings were given to souls, but in general, the chosen ones of God are also called souls.*(Exodus 1:5 All the souls that came out of Jacob 's den were seventy people ; Joseph in Egypt.)*

So when we look at it, Adam in the beginning was a living soul. (Jesus was also a man with a perfect spirit in a body like that. He was to come Adam, the first man, was the image of Christ. Christ is also known as the last Adam. He was a man in the likeness of the sinful flesh of the deceived Adam. Because he is likened to a man, he is not so in himself.) But just because Adam became a living soul did not mean that he had to live according to God's will. Only faith can guide man on the right path.(Faith is necessary because we cannot see God. If we can see it, we just need to rely on it! God's principle is that the Spirit helps only those who believe.) But the first Adam and the last Adam did not live because of faith. Even the world says that the spirit of some people is not right when they see their life ac-

tivities? Adam was unable to overcome the devil's temptations because he did not have such a right spirit. (Now God has allowed a little time on earth to carry out the devil's plan.)*(1 John 5:19 We know that we are from God. The whole world lies under the power of the evil one.)*

But when Christ, the life -giving spirit, guides a soul, that soul will lead a life that is not included in the devil's temptations. But Christ is the life-giving Spirit. Christ is a spirit
If done, that person can lead a life free from the devil's temptations. Through this we can see God's plan for the perfection of human life through Christ.*(Acts 5:32 And we are witnesses of this fact, and the Holy Spirit, whom God has given to those who obey Him.)(Galatians 3:14 'Abraham's That we may receive by faith the promise of the Spirit, that the blessing may come to the nations in Christ Jesus.)*

Therefore, when Eve, who is like the soul, was deceived and sinned, Adam, who was

like the body, was also condemned to the punishment of sin. (Even if Adam did not eat the fruit of the tree.)

Adam and Eve were two free persons. But we can see that it is written in the word that God named them Adam. ***(Genesis 5 :2 He blessed them on the day of creation and named them Adam.)***

Here God is showing that the body and soul of man live together. From the indication given by the apostle Paul, it can be seen that the soul (wife) has passed into the slavery (imprisonment) by the law of the body (husband).***(Romans 7 : 2-3 A married woman is bound by the law to her living husband. If her husband dies, she is freed from the law of marriage. Free from the law.)***

Adam is a combination of male and female. That is, like a human being with a soul and a body. Similarly, Bible aims at the principle of one man for one woman. Living, fighting for God and taking mul-

tiple wives can be seen in the 'Old Testament'.
But such a way of life cannot be seen in the New Testament. Polygamy was, and still is, seen in Judaism. Islam even today allows polygamy. But do they allow polymaternity, polypaternity or polysibling in the same house? But the Lord is showing one of His disciples an example of polymaternity and brotherhood. But the Lord is an example polymath and brotherhood One of the disciples is showing it.*(John 19:27 Then he said to the disciple: Behold your mother. From that moment the disciple took her into his house.)*

Woman is the joy of man. That's why it's like this Polygamy has been discovered by men.*(Ecclesiastes 2 :8 I have gathered silver and gold and the treasures of kings and states ; I have acquired musicians and women musicians and many women , the joy of men.)*

Women are often unable to live on their own and independently. So they become

helpless before that human law which the man brings. Even if they don't like it.

We have seen that the soul dwells in a sinful body. When the consummation of perfection is realized through Jesus in the last days, through faith in Christ, who is God's way, man attains the spirit of perfection and becomes perfect, virtuous and absolved from sin. We must witness Christ's death on the cross to teach and preach. It is true that the man who hears such a message and becomes aware of his sin, gets forgiveness and eternal salvation. As a king wrote , who can discern his own faults? Please release me from hidden faults. Only those who recognize the cry of the soul!
(Psalms 19 : 12-13 Who is aware of his faults? Save me from hidden faults. 13 Keep away from my sins and keep the servant; let them not reign over me; but I will be blameless and without great sin.)

The gospel is the power of God to save him from sin through faith in a special

way that man can not imagine. According to God's own determination, "Now death has been abolished, and life and immortality have been revealed the gospel."*(2 Timothy 1:10 It is consistent with his own determination and grace, which is revealed by the appearance of our Savior Christ Jesus, who has now removed death and revealed life and incorruptibility through the gospel.)*

The gospel is never a means of making money. It is an advice to mankind to purify their soul within themselves and live without sin in that body. It is given to us by God the Creator.*(Romans 6 : 17,18 But thanks be to God , because you were slaves of sin and obeyed the doctrine that was taught to you , 18 and were freed from sin and became slaves of righteousness.)*

The "New Testament" describes this gospel as the doctrine of Christ, the holy commandment, the law of liberty, the royal law, and the law of the Spirit of life. Jesus said that if you believe that your faith has saved you, you will see the glory

of God.

Jesus expects in humans a soul that has been absolved from sin through faith, a life that has been completely saved from sin, and eternal life.*(Matthew 8:13 He said, "May it be done to you as you have believed." 9:29 "May it be done to you according to your faith"; Mark 5:34 He said to her:" Daughter, your faith has saved" ; Luke 7:50 He said to the woman, "Your faith has saved; Go in peace." _ John 11:40 Jesus said to her: Did I not tell you that if you believe you will see the glory of God?)(The time is fulfilled and the kingdom of God is at hand; repent and believe in the gospel. Mark 1:15)* **is a warning to all people today and to come to escape from the eternal punishment of their souls. Since birth , the human body and soul are condemned to death: it is recorded in the Word.***(Psalms 102:20 To hear the cry of the captives, and to deliver those destined for death; Proverbs 24:11 Deliver those who are led away to death; look to save those who run away.)*

But like the good thief in the testimony of Christ on the cross, at least a few recognize the "truth in Jesus" and believe in Jesus.

In man there is a body (visible form) , a soul , and a human spirit (unseen). The word says that the source of the right working spirit is the subtle intelligence that is given by God. The body is the repository of all kinds of sins. Malice , clan crime , adultery .... that causes human Defiles.*(Matthew 12:35 A good man out of his good treasure bringeth forth good things: but a wicked man bringeth forth fire out of his mischief. 15:19 For out of the heart proceed evil thoughts, murder, adultery, fornication, theft, false witness, and slander. Mark 7:21-22 From within, from the very heart of men, proceed wickedness, adultery, fornication, 22 murder, theft, covetousness, wickedness, deceit, lasciviousness, slander, pride, foolishness.)*

Such sinful natures come out of man as

sinful actions in various life situations. The Psalmist says that such a human heart is made by God.*(Psalms 33:15 He fashioneth their hearts alike; he considereth all their works.)*
Jesus affirms it and says this. *(Luke 11:40 -41) 'Elders, did not he make your outside or your inside also? Made by Give what is inside as alms; But everything will be clean for you.)*

Most of the political speeches we hear today are repetitions of evil , revenge, and greed that the majority approves of. When another judge overrules the right judgment given by one judge, there is also the deception of sin. "Thou shalt not curse the ruler of people" It is written in the law.*(Exodus 22:28 Thou shalt not blaspheme God; Thou shalt not curse of thy people. Acts 23:5 "For it writtenis, Thou shalt not curse the ruler of peoplethy.)*

It is the sin in man that should be corrupted.*('Righteousness exalts the caste;*

Sin or dishonor to all races'. (Proverbs 14:34) **says the scriptures? God's word says that such a person is"old man". Such a person can be seen dying from pregnancy to old age.**

The secret of redemption is that the human body, which was under the rule of another (devil) is destroyed by Christ and the soul comes under the control of Christ and is thereby transferred under another law.*("The soul Jehovah's lamp" in Proverbs 20:27, while Psalm 18:28 says, "Jehovah will light lampmy.")*

Jesus came to earth to enlighten man who has lost his light (action) due to sin, made by five elements. *(Matthew 5:14 "You are the light of the world") (John 8:12 "I am the light of the world; He who follows me He who does not walk in darkness will have the light of life" (Jesus) said.)*

Any man on this earth can find the soul and save it by reading the Holy Word according to God's will, just like curdling

milk and making butter, like squeezing the nose and making it bleed, and like stirring up anger and making quarrels.“Soul”refers to the human soul, spirit refers to the impure spirit, which includes intelligence, thought, and free will;” can be seen as indicated in the word itself. The divine enters into the free will of a man or a woman just as a man grows a beard. Science has conducted an investigation as to why men grow beards and failed to find the reason. In free will,there is freedom to accept God and to reject God. We know that theists live in the country of atheists.

Quran sura 30 Ar Rum thirty verse says that Allah has created man with pure nature. It is recorded that one should live according to that nature and there is no change in Allah's creation. But to understand why and when the human nature leaves the pure nature and is changed into a sinful nature , the Prophet can't; It is because mentally man is born as a pure nature that " Jesus asked men to be converted like little children")***(Quran sura 30*****

Ar Rum:30 So be steadfast in faith in all uprightness ˹O Prophet˺—the natural Way of Allah which He has instilled in ˹all˺ people. Let there be no change in this creation of Allah. That is the Straight Way, but most people do not know.)

(Matthew 18:3 " Unless you turn and become like little children , I tell you the truth, you will not enter the kingdom of heaven. Rev. Mark 10:15 I tell you the truth , no one who does not receive the kingdom of God like a child will never enter it.")

None of the human children are born and grow up with divine thoughts. But due to the existence of this universe and other external interferences, man becomes a place to search for God. It is like a man grows beard at a certain age. Children grow up biting the nipples of their mothers who express abundant milk. It is because of the indwelling of sin that the human organs are able to function in that state.

It is written in Romans chapter seven, verse twenty-three. There is another law

in man's organs that fights against God's law in man's mind. The apostle points it out.

Development of mind or intelligence is not seen in infants at birth. Modern psychology has also started to say that children need discipline from their infancy because human infancy is enslaved to something. God has already proved that sin resides in human bodies by giving commands to Israel. Therefore, Paul, who was educated in the Jewish laws, saw the eternal destruction of sin in the thief who died on the cross of Christ. So Paul looks at sin in a terrible state. Paul is giving thanks to God through Jesus Christ who freed the soul bound by sin and in slavery.

(Romans 7:24, 25 Alas, I am a wretched man! Who will deliver me from this mortal body? 25 I thank God through our Lord Jesus Christ.)

Mothers should be asked about the sight of children becoming sinslaves. Many people have denied the participation of

women in many investigations. It can be seen that the foundation of these things is built on sin. Let me write this in the words. ***(John 8:34 " Everyone who sins ;He is the servant of sin).*** **Even if the babies!**

The Holy Spirit teaches man to obey a' new law by believing in Christ's death on the cross. It is written that Jesus said that the Holy Spirit will glorify me by taking from what I have and making it known to you.***(John 16:14 He will glorify me by taking what is mine and making it known to you. Galatians 5:16,'Walk according to the Spirit; But I say not fulfill the of the flesh lust.)***

What did the Holy Spirit who comes to people by faith tell people to obey? Here, people are taught to believe the crucifixion given by Christ as a testimony."Paul named Saul received the apostleship to bring obedience to the faith among all nations."***(Romans 1 :6 He received grace and apostleship to bring obedience to faith***

among all nations for his name's sake. Galatians 2:20 I have been crucified with Christ; it is no longer I who live, but Christ who lives in me; now I live in the flesh and loved me. I live by faith in the Son of God who gave himself for me.)

Even in the Old Testament times, the Holy Spirit resided in people who had faith, but God did not ask people to obey such a special rule of faith. In those days, God's Spirit intervened in people and gave complete victory to Israel in many things. Through faith in Christ, the Holy Spirit will give complete victory over sin. That was the shadow form of being able. Here we can see that God has devised a system of faith established for a sinless life.(1Timothy 1:3)

It is recorded in the seventeenth verse of the first chapter of Paul's letter to the Galatians that Paul stayed in Arabia for three years after his vision of Christ. There, Paul had the opportunity to see a special type of punishment. Along with

the corpses of the people they slaughtered They would be bound and thrown into the the desertinterior so that they could not escape on their own so that they would death suffer the desert. A terrible death sentence was carried out there. God told Paul that the soul was bound to the body like this because of the sin committed by the original soul (Eve). It is revealed. In this way, according to the previous parable, Paul understands that Christ comes to save and owns the human soul, which has become as if the man could not save himself*(Romans 7:4 Therefore, brothers, you also died to the law body of Christ, so that we might bear fruit for God and become someone else who has been raised from the dead.)*

After atonement, man becomes like Adam's soul being created in the beginning. (Faith is foolishness that is not recognized by human intelligence, logic and science.) This new soul is brought to life by Christ, in the beginning that Adam did not have the right Holy Spirit, but now

received by faith.***(1 Corinthians 15:45 'For it is written that Adam, the first man, became a living soul, and the last Adam became a life -giving spirit.')***

Jesus speaks like this while performing the ministry of giving mankind the spirit of perfection on the cross."Done "***(John 19:30 After Jesus drank the sour wine, he bowed his head and gave up the spirit, saying: It is finished.)***

Those who keep this testimony by faith and manifest its results through actions are the possessors of eternal life.

Many are called (to follow Christ); But few are chosen (for the Kingdom of God)'.
(Matthew 22:14 Many are called , but few are chosen.)

Let it be clarified again in this part that two wicked people were nailed to the cross with Christ. Both of them were sentenced to death.This testimony is re-

corded as a shadow in the Old Testament. Just like Jesus, there were two other criminals in the prison along with Joseph who had committed to crime. It is recorded in the fourtyth chapter of Genesis that Joseph lay down with the criminals. Joseph was not a criminal at all. The baker and the cup bearer received a judgment according to Joseph 's decision. The baker is a symbol of the body of sin in man to be destroyed in Christ. The cup bearer is by Christ And the symbol of the soul in the saved man.

(Luke 22:44. We must know Jesus who is written in the Law of Moses, the prophetic books and the psalms.)

The Holy Word reminds us that sinful man has become righteous by faith and that righteous man should live by faith. ***(Romans 5:1 , being justified by faith , we have peace with God through our Lord Jesus Christ, Hebrews 10:38 , but" My righteous man shall live by faith ;)***

Human beings are born and brought up in the flesh with sinful tendencies and continue to live in it, so that the change in that life should be made according to God's will, God asks people to release life from the faith they have accepted. As the sifulbody beareth the fruit so that faith according to the law in God beareth its fruit. The Holy Spirit says it can. But many Christians are not aware of that the fruit of perfection can be produced from this kind of faith. God has given faith as a sharp weapon so that man can win victory over sins. But today's Christian churches' are used the Word to produce a moral life from the flesh without teaching about God's system of producing fruit. Anyone who reads the Word can see moral rules in it. But through the form of doctrine taught by Christ, the good that comes out of the justification with atonement , and the belief that one has become righteous; not many people have heard of the perfect life. Therefore, every believer should personally search and find the answer to why those who have received the

atonement sin again. The Christian life is a life of pure, complete, and good alone. That being born of God is by faith Only those with firm determination can produce such a life. The Teacher himself has said that 'everyone who has perfected his practice will be like the Teacher'.
(Matthew 10: 24-25 The disciple is not above the teacher, and the servant is not above the master; 25 It is enough for the disciple to be like the teacher; It is enough for the servant to be like the master, Luke 6:40 He who has completed the training will be like the teacher.)

Paul recorded that 'by faith I live and by faith I walk' in the Crucified One.
(Galatians 2:20 I have been crucified with Christ ; it is no longer I who live, but Christ lives in me. Now whether I live in the flesh , I live by faith in the Son of God , who loved me and gave himself for me ;going on)

It is foolish to believe because God tells man to accept things that have happened

and have not happened but that men have not seen , but God values human participation in believing what the invisible God says.*(Ephesians 2:8) ' For by grace you have been saved through faith'.)*

The Gospel written by Mark, chapter 10, verse 38 and 39, is about a sacrifice.*(The Son of Man did not come to be served, but to serve and to give his life as a ransom for many. Isaiah 53:12 For he will pour out his soul unto death, and bear the sin of many, and will be numbered with the transgressors, for the sake of the transgressors.) -*

Let the wicked (sinful flesh) in every human become a ransom for the righteous Christ in this sacrificial offering.
(Proverbs 21:18 The wicked shall be a ransom for the righteous, and the transgressor for the upright.)

In the 6th chapter of the Gospel written by Matthew in the 13th verse we read that he was taught to pray,"And lead us

not into temptation, but deliver us from evil:" Evil is the sinful body of humans. It is because man lives in such a body that he is in temptation to be included. Therefore, he similarly told the disciples that although the soul is ready to repent and be saved, the flesh is so weakened by sin that it cannot obey the commandments, and the Lord is going to the cross to remove that flesh.*(Matthew 26:41 Watch and pray that you may not fall into temptation; the spirit is strong, but the flesh is weak.)*

He did not say that His flesh in the form of sin is weak. (There are those who teach that.) He made it clear that human flesh is not qualified to bring forth the fruit of the law and that He is going to the cross in order to punish that flesh and make it void. It was a punishment in such a way that the of justice the law could be brought out through it. Paul's epistle to the Romans, chapter 8, verse 3, to change from the weak state, which can not bring forth the righteousness of the law, to the

state of bringing forth righteousness. Paul interprets the punishment in Christ's flesh as helpful. Only if this word has evolved into faith in man with full meaning , then the word of God that man hears will be useful to him in such a way that it produces fruit. Most of the people of Israel who left Egypt not came to Canaan. They had to die on the way because they did not believe the word of God that they heard that they would reach Canaan.*(Hebrews 4 :2 We, like them, have heard a good news, but the word that we heard did not benefit them because it turned into faith in those who heard it.)*

Similarly, thousands of people who read Bible do not know what the way that book open as they should know. Even those who claim to be at the head of the church!

Muhammad, on the other hand, searched for the physical accuracy of the Holy book. In the same way, the castes that need to be saved look at Christianity as a

group of luxuriants and power -hungry people. Therefore, people of these times can see that the churches have been divided into many parts by power- hungry people, forgetting the form of doctrine taught by Christ. Leaders and ranks are fighting for material things. They have not learned the teachings of Christ. Christ was not aiming at a worldly kingdom then. Moreover, bodyguards were not kept for protection from others. But what a surprise that the church leaders of these times are even political rulers!

The Old Testament does not provide literal evidence that Abraham offered his promised son (Isaac) as a burnt offering to Jehovah.*(Genesis 22:13 When Abraham looked up , he saw a ram caught in the forest behind him by its horn ; Abraham went and took the ram and offered it as a burnt offering of his son.)*

In the same way, it is not possible to accept evidence in the Old Testament that Jephthah, the judge, offered his daughter

as a sacrifice to Jehovah. Because we can see in the relationship with Isaac that Jehovah does not accept humans as a burnt offering.*(Judges 11:39 After two months she returned to her father, and he did to her as he had vowed; and she had not known a man).*

But by affirming that the two above - mentioned sacrifices were made by faith, the reader of Hebrews can understand that the method of atonement is very wonderful by the Spirit of God.*(Hebrews 11:17 ...32 By faith Abraham sacrificed Isaac when he was tested. 20 By faith Isaac blessed Jacob and Esau for the future. 21 By faith Jacob blessed both of Joseph's sons at the time of his death and bowed to them by leaning on the end of his staff. 22 By faith When Joseph was about to die, he remembered the exodus of the children of Israel and commanded his bones. 23 By faith, when Moses was born, the parents saw that the child was beautiful: they did not fear the king's order and hid him for three months. 24 When Moses grew up by faith, he was with the people of*

God rather than the temporary pleasures He chose to suffer. 27 By faith he stood firm as if he had seen the invisible God, and left Egypt without fearing the wrath. 28 By faith he kept the Passover and the bloodbath, so that the slayer of the tares would not touch them. 29 By faith they passed through the Red Sea as if by land; The Egyptians tried to do that drowned 30 When they had walked around for seven days by faith, the walls of Jericho fell down. 31 By faith Rahab the harlot took the spies in peace and did not perish with the unbelievers.)

But will the New Testament believer check what he does with the faith he received? Because God is great in thought and powerful in action, the counsel of the Bible is beyond the reach of an intelligent man.

God does not aim for a moral life in humans from the knowledge obtained by reading the Bible. On the other hand, the New Testament is a message that con-

demns the sinner and the flesh (sin) in which he dwells forever and gives forgiveness (resurrection) to the soul and makes him live innocent by "faith".

'This gospel will be preached in all the world as a witness to all nations' then the end will come, the disciple Matthew recorded by the spirit.*(Matthew 24:14 This gospel will be preached in all the world as a witness to all nations ; then the end will come.)*

Dear evangelists, in your evangelism, do you preach the testimony of the wickeds on the cross?

If we pay attention today in Christian-world, we will see few churches doing gospel work like Jesus said. (Matthew 28:19-20) It can be seen that the main-stream churches are not working in fulfilling the mandate of ' make disciples of all nations abide in the doctrine taught by baptizing them in the name of the Father , the Son and the Holy Spirit'. They did not evangelize and disciple the na-

tions; They are those who do bring and baptize infants who are not conscious of sin. Those who build and worship idols in violation of God's second commandment, gather various mediators, decorate the sinful body with luxurious clothes and jewelry, pollute the environment with firecrackers, and build skyscraper temples destroy the gospel. It has been changed into another form. Such religious leaders, who occasionally repent of their actions,and also have forgotten the teachings, who trade in education, as greedy for carnal luxury, and who do create citizens through education according to wealth.

As the,saying goes 'When the will of the called is fulfilled, the elder will serve the younger'. can be seen to converge. ***(Genesis 25:23 Jehovah said to her: Two nations are in your womb. Two races will be separated from your womb; one race will rule over the other race. The older will serve the younger. Romans 9:12 Acts Not because It was said to her that "the elder***

shall serve the younger" so that she should come because of the will of the one who called her.)

Here the elder (Esau) is the sinful body and the younger (Jacob) is the redeemed soul. It is not the soul that fulfills the will of the body, but the body that fulfills the soul. Thus the New Testament proclaims that the sinfulbody(Esau) which caused the destruction of the soul (Jacob) was rejected. Apostle Paul said that you are not under the law of God because you do not have the sinful that was given by the law of God and you are exempt from that law.

(Romans 6:14 For you are not subject to the law, but to grace, so that sin will not have dominion over you. 7:6 Now we are freed from the law, being dead to the law that held us captive, so that we should serve not in the oldness of the letter but in the newness of the Spirit.)

Does this mean that Christians do not have a law of life? Never it is not. The law is abolished because there is no sin.As a

wise man said, Good people don't need law. Those who are not good are therefore of no use.

**Jesus was born under the Jewish law, but he was a good person who did not need the law to live. Only the righteousness of the law came from him. There was no sex or family life in the beginning of Adam in Eden . Sex is the product of the devil. The saved soul The scriptures say that because it dwells in sinful flesh, and because the soul has the Holy Spirit, only the fruit of the Spirit will come out of the faith received by the soul. The fruits of the Spirit are: love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, and self - control. In faith the Word wants to reveal that the lives of people who produce such fruits will not produce the fruits of sin, such as fornication, impurity, lust, idolatry, sorcery, malice, strife, jealousy, anger, stubbornness, bickering, division, envy, and drunkenness.*(Galatians 5:19-22 The works of the flesh are revealed as fornication, impurity, lust, idolatry, 20 sorcery, malice, strife,*

wrath, stubbornness, 21 dissension, dissension, envy, drunkenness, hatred, etc.; This type As I said before, I tell you in advance that those who work will not inherit the kingdom of God.)

'When the companionship of Jehovah is with his devotees, Jehovah will inform this law for the devotee to live without sin'.*(Psalms 25:14 Jehovah's company shall be with his people ; he will make known to them his law.)*

After Adam fell into sin, they realized that they were naked. This nakedness can be seen as the sin that entered into them, and the clothing they made of fig leaves as the atonement that Adam found for himself. Because even our babies have a vision to hide their nakedness? But they Verse twenty-one of chapter three of the book of Genesis proves that their shame (sin) was covered by an unseen sacrifice and that they received a justification from God himself. This sacrificial garment is the atonement that Adam re-

ceived through Jesus through a sacrifice that Adam had never seen. Hence the New Testament Adam is seen as the son of God.*(Luke 3:38 Cainan is the son of Enos, Enos is the son of Seth, Seth is the son of Adam, Adam is the son of God.)*

People should believe in this type of atonement. In the discernment of good and evil, men should not interpret the Word lightly. It is indisputable that the souls of all men who do not believe and live carnally will suffer eternal damnation as written. The book of Revelation, chapter twenty, verse fifteen.It is recorded that 'everyone whose name is not written in the book of life will be thrown into the lake of fire'.-*(It is recorded that 'everyone whose name is not written in the book of life will be thrown into the lake of fire'.)*

Even the disciples -when with Him -could not understand the meaning of Christ's crucifixion. Jesus, on the other hand, did not openly talk in the streets that through his death, people would get atonement for

their sins. But it was the Holy Spirit who revealed that the crucifixion was for the atonement of mankind. No man saw the crucifixion with its meaning. It was through the preaching of Peter that this matter in the Old Testament was revealed to men.*(Acts 2:38-39 Peter said to them: Repent and be baptized every one of you in the name of Jesus Christ for the forgive-ness of your sins, but you will receive the gift the Holy Spirit. He said . .10:42-43 He commanded us to preach and testify to the people that he is the one appointed by God to judge the living and the dead. 43 All the prophets testify that whoever believes in him will receive forgiveness of sins through his name.)*

(Isaiah 53:8.. ..12 He was taken by perse-cution and judgment; Who of my genera-tion thought he was cut off from the land of the living, and that he was punished for the transgression of my people? 9 And he sat without daring, and without deceit in his mouth They gave him a grave with the wicked; He was with the rich in their death. 10 But it pleased Jehovah to crush

him; He caused him trouble; His soul became a guilt offering and he saw the seed and had a long life. It can be done by hand. 11 He will be satisfied with the result of his efforts; My righteous servant will justify many by his knowledge; He will bear their iniquities. 12 Therefore will I divide him a portion with the great, and he shall divide the spoil with the strong; because he hath poured out his soul unto death: and he was numbered with the transgressors; and he bare the sin of many, and made intercession for the transgressors. Because he was the pitcher and bore the sin of many, and was counted among the transgressors.')

(Daniel 9:24 Seventy weeks have been appointed for your people and for your holy city, to stop transgression and seal sins, to atone for iniquity and bring eternal justice, to seal visions and prophecies, and to anoint the most holy.)

God is inviting mankind to be saved and become children of God through the gospel. God does not force anyone here. It is

enough to do it only by renouncing one's own religious concepts. God wants the sinless race to be sprung from Jesus (by faith) as the sinners were sprung from Adam. Let there be new creations through rebirth from the holy man Jesus in place of the sinful men born from the sinful man Adam.

Even nowadays, young and old people choose clothing to cover their nudity according to their own choice. The opposite effect it produces is the topic of discussion in the society, which we can see and read. (Except India, some foreign countries allow any kind of dressing code) This is how man finds his own ways to atone for sins his. Humans should know that their results will also be very bad.

Since man was imprisoned in sin according to God's purpose, let its solution also be God's purpose. Those freed from sin through Christ's atonement have become virtuous forever.*(Hebrews 10:10-14 by the which will we are sanctified through the*

offering of the body of Jesus Christ once for all. 14 He has made those who are sanctified by the one sacrifice perfect forever.).

Man should believe the Word. That is when man believes the Word that is written and is to be fulfilled the Word records that it bears fruit.*(Hebrews 4:2-3 We are like them who heard a good news, but the word heard did not benefit them because it turned into faith in those who heard. 3 We who believed enter into rest;)*

The scripture that Jesus was crucified with the wicked is fulfilled.*(Mark 15:27-28 And they crucified two thieves with him, one on the right and one on the left. People as one On the other side and one on this side, Jesus was crucified in the middle.)*

(Are you able to be crucified with Him by faith ?)

Are not in you, dear reader, a wicked body and soul condemned to death? Why

not save your soul by confessing it to Jesus before you experience the literal death that you are about to face? Do Aaccept that salvation through faith. Let the scriptures be fulfilled in all men. Did the bad thief (body) not come back? But the good thief (soul) has conquered death with Christ. If you believe this, your soul will be saved forever!

Humans are endowed with many abilities as birth instincts. Also acquired skills are found in humans. But the abilities to know God and to know what is in God are not written (inbuilt)in man . Therefore God saved men through the foolishness of preaching without intervention in human flesh can be seen interfering with humans. Isn't it folly to believe that what has not happened has happened if we think rationally in the human mind? ***(Isaiah 7 :9 If you do not have faith, you have no abiding place., 1 Corinthians 1:21 Those who believe in the wisdom of God because the world through wisdom does not know God was pleased to save by the foolishness of the sermon.)***

Muslim people believe in Jesus (Muslim Prophet). But why they believe in him and how they believe is something they should think about. Faith in Christ is meant to produce life. Rather, it is not for anticipating His coming in the future. Everything like that is called hope. Faith and hope are two things. The reason why the lives of many Christians who say they believe in Christ are part of sin is because of what they believe and how they believe; It should be looked at based on. The gospel is what Christ taught and the Holy Spirit preached. He who does not wholeheartedly obey that form of instruction is only a sinner with the knowledge of good and evil. Do sinners also have the knowledge of goodness to ask for forgiveness for their mistakes? But man should live by keeping the faith in Christ as an eternal law. Since there is no "unrighteousness" in such a man, there may be no sin or apology for it.

One person's sin does not mean that the

other must also be defeated. If so, how high can we see from God's system of full faith in God's power? (The good in sinful man is the devil's good. God does not accept that goodness.)

Man's eternal pure life is connected with his faith.*(Matthew 6:21 "Where your treasure is, your heart will be also"* is remarkable). Let the investment of faith be rich in people. Paul and James to be steadfast and healthy in faith It is suggested.*(Titus 1:13 For this reason, that they may become sound in the faith, James 1 : 4 But let there be perfect work for the steadfastness (of faith) so that you may be perfect and complete , lacking nothing.)*

A good man can give good results from that good heart.*(Matthew 12:35 A good man out of his good deposit bringeth forth good;)*

Many people hear the Word of God, but because it does not develop into faith within them, the word is not fruitful.

Even those who say they are believers are not sure that humans can live like that. What will happen to you if you do n't believe? The examples given by the Lord as a witness are of four types Let this writer record. (There may be disputes.)

(1) Miracles.(2) Signs.(3) Mighty works. (4) His crucifixion and resurrection.

(1) Miracles.

Jesus knew that man with withered hand in the church. He could see that he was healed his; only just participationand obedience. Grace is gift from God. But miracle is happened when sinful man believed and obeyed. How many peoples till do not believe? You can see the completeness of healing from sin there.*(Mark 3:5 He was grieved because of their hardness of heart, and looked around them with anger, and said to the man: " Stretch out your hand. "And he stretched out his hand, and his hand was healed.)*

(2) Signs.

He walked on the ocean without being asked by anyone. Calmed it down. Increased bread, raised the dead. By doing all these things, Jesus revealed His ability (authority) to do all things. The atonement through Him is also complete. He has left nothing incomplete.*(Matthew 8:23 -27 And when he got into a boat, his disciples went with him. 24 Then there was a great storm in the sea, and the boat was overturned by the waves, and he was sleeping. 25 And they came near, saying, save Lord us: we are perishing. 26 And he said unto them: "O you of little faith, why should you be cowards? "When he got up and rebuked the wind and the sea, there was a great calm. 27 And the men wondered: What kind of man is this? He said that even the wind and the sea obey him., 14:22-27 Immediately Jesus sent the disciples away while he was sending the crowd away He got into the boat and forced them to go ahead of him to the other side. 23 And he sent the multitude away, and went up into the mountain by himself to pray; In the evening, he sat there alone. 24 The*

boat was several hours away from the shore, and the wind was adverse and it was surrounded by waves. 25 On the fourth day of the night he walked on the sea came near 26 When the disciples saw him walking on the sea, they were amazed and cried out in fear, saying that it was a demon. 27 Immediately Jesus said to them: "Take courage; I am; "Don't be afraid," he said.)

(3) Acts of Valor.

The healing that comes to those who believe is complete. By grace you have been saved through faith. Atonement is complete when God's love and human participation are combined.*(Matthew 8:13 Then Jesus said to the centurion: "Go, as you have believed, so may it be done to you. "At that very hour his child was healed. One touch He said to himself that I will be healed, and came back and touched the hem of his garment. 22 When Jesus turned and saw her, he said, "Daughter, take courage; "Your faith has saved you. "From that moment the woman was healed. Luke 7:1-10 Now when he had*

ended all his sayings in the audience of the people, he entered into Capernaum. 2 There, a centurion's beloved servant was suffering and dying. 3 When he heard about Jesus, he sent the elders of the Jews to him to beg him to come and save his servant. 4 He went to Jesus He came and begged him with interest: He is worthy for you to do it; 5 He loves our people; He said that a mosque has also been arranged for us. 6 Jesus went with them, and when he was near the house, the centurion sent his friends to him: Lord, do not be troubled; You are inside me I am not enough to come. 7 Therefore I do not feel that I am worthy to come to you. If you say a word, my child will be healed. 8 I am also a man subject to authority; I have soldiers under me; If you tell someone to go, he goes; If you say come to someone else, he will coming _ He said to my servant: If you say do this, he will do it. 9 When Jesus heard that, he looked back in amazement, and said to the following group: "I tell you, I have not seen such faith in Israel." 10 Those whom the centurion had sent returned home

When he came, he found the servant healthy.)
(John 11:44 And the dead came forth; His feet and hands were tied with cloth and his face was covered with cloth. Untie his bonds; Jesus said to them," Let him

(4) Death and Resurrection.

Jesus Christ died with two wicked people. This testimony is given by the resurrection of Jesus, who died unto sin and lived for God. In the same way, the sinner is demonstrating a living testimony to God by dying and being resurrected to justice. *(Romans 6:10 He died for sin once for all; He lives for God.)***It is a mutual agreement .***(Revelation 3:20 I stand at the door and knock; if anyone hears my voice and opens the door, I will come to him and dine with him and he with me.)*

Perfection can be seen in all the works of Christ. But actions like that,today does not happen through anyone. Through this, Jesus is showing that the atonement will be complete and the result will also be complete.*(Hebrews 2:3-4 How shall we*

fail if we ignore such a great salvation, which the Lord began to speak, and God gave the Holy Spirit according to his will by signs and wonders and various mighty works, and those who stood witness and those who heard assured us?)

Without believing in this kind of perfection, we can see people on earth who abuse the Holy Spirit by saying that the atonement is not complete on earth, and the Holy Spirit who grieves when the believer lives a sinful life can be seen in the Word.*(Matthew 12:32 Whoever speaks a word against the Son of Man , it will be forgiven him , but if you speak against the Holy Spirit , it will not be forgiven him in this world or in the world to come. Ephesians 4:30 Do not grieve the Holy Spirit of God , because through him you are sealed for the day of redemption.)*

Let 's go to the next part to know that what happened on the cross was not only the destruction of sin.*(He died for sin once; Whatever he lives, he lives for God.*

So count yourselves dead to sin and alive to God in Christ Jesus. Romans 6 :10-11)

Note:

We must understand that Jesus Christ did not have the unconscious and subconscious mind levels. There was only one level of consciousness in Jesus. It is for such a mind that the sages of India did penance! For babies are those who do not see sin and do not know sin. In the same way, Jesus was one who did not see sin and knew no sin. That is why Jesus suggested that saved people should be children of evil and mature in wisdom.*(1 Corinthians 14:20 Brethren, be not children in understanding; be children of evil; be mature in understanding.)*

The writer recorded that he was involved in the trials of things other than sin because he did not see sin.*(Hebrews 4:15 The high priest we have is not one who cannot sympathize with our weaknesses ; we have one who has been tested equally with us in all things except sin.)* May God help each one of us to become like this.

**Salt is formed from the ocean. In the same way, faith is formed out of sin. The ocean represents sin.
Salt represents faith.**

%%%%%%%

6. What happened on the cross.

In his first epistle, Peter, the chief among those who walked with the Lord, writes that through the wounds that Jesus inflicted on his body, people have been healed of their sins.*(1 Peter 2:24 He bore our sins in his body on the cross , so that we might die to sin and live for righteousness . By his stripes you have healed.)*

When he was living with Jesus, Peter started walking on the sea after listening to Jesus' words. Jesus is telling Peter to be a believer without doubting when he is immersed. Through that, Jesus is revealing the power of faith there. Therefore, Peter records in the second epistle that faith in Christ is a precious faith to overcome sin like the sea.*(2 Peter 1:1 Simon Peter, the servant and apostle of Jesus Christ, writes to those who have received the same precious faith as we have through the righteousness of our God and Savior Jesus Christ:)*

Twelve disciples chosen by Christ came to live with Him. But His mission of atoning death and resurrection had not been revealed to them.*(Luke 9:45 They did not understand that saying; it was hidden from them so that they did not recognize it; they hesitated to ask him about that saying.)*

Because atonement must be obtained by faith. What is must be through the determination of what is not seen. In it is guaranteed the good life that all human beings should aspire to. Disciples should understand this. But the cleansing from sin of those who walked with him had already taken place because of his Words, not through faith in the death of the cross. Did they understand then? What?*(John 15:3 You are now clean because of the word that I have spoken to you.)*

The apostle makes it clear that the cleansing of sin and the subsequent good life is by faith. Faith is the assurance of things hoped for and the assurance of things not seen.

(Hebrews 11 : 1 Faith is the assurance of things hoped for and the assurance of things not seen.)

Faith includes two kinds of things.

(1) It contains the assurance of the thing hoped for.

(2) It also contains the certainty of things not seen to fulfill that certainty.

Jesus' command to the sinner ('woman') to sin no more is for all mankind." Woman " represents every human being. If man wishes for a good life in which he does not commit sin according to Jesus' precept , then by accepting what Christ gave as a witness on the cross , he also accepts it. There must also be a determination of the unseen of being a partner . The things that are not seen in it are in two ways.

1. Jesus died and rose again for my sins.

2. That I also died with him in sinful body and soul and rose again.

Even though faith is like a mustard seed, it can grow. Thus, sin will not have dominion over those who keep a steadfast faith that has grown. By faith man is justified, and the righteous man lives by faith.*(1 John 2:29 If you have understood that he is righteous, then you know that everyone who does righteousness has been born of him.)*

May the scripture that says, "My righteous man shall by faith"live be fulfilled in all men.*(Habakkuk 2:4 ; The righteous shall live by faith , Hebrews 10:38 But " My righteous man shall live by faith;)*

The disciple Paul reveals the eternal "truth" to free man from the bondage of sin, the "truth" sought by Pilate, the ruler Roman.*(John 8:31-32 Jesus said to the Jews who believed in him : " If you abide in my word , then you are truly my As disciples , 32 know the truth and the truth will set you free . ,*
18: 38 Pilate said to him : What is truth?)

This is how Paul sees that immutable truth.*(Romans 6:6-7 We know that our old man was crucified with him so that the body of sin might be put away so that we would no longer be slaves to sin. 7 Thus the dead man is absolved from sin.) (Colossians 2:11-12 In him you also received circumcision not made by hands, because the body was put off by the circumcision of Christ. 12 You were buried with him in baptism and raised with him through faith in the mercantile power of God who raised him from the dead.) ('Let the sinners perish from the earth; Let the wicked be without; O my soul, bless Jehovah';Psalms 104 : 35)* The broad vision of the devotee is the gospel voice that gives person saved by Christ. May all sinners (souls) and all evildoers (bodies) perish on the cross.

It is written in God's law that as long as a woman lives with her husband, her husband's law has authority over her. Those who know God's law can know about it. That is why the wife is bound by the law

to her husband. The woman has the power only to produce the child of that husband. If the woman should give birth to the man's child after becoming another man's wife, the first husband should die. It is God's law. A wife who is not like that will be called an adulteress. Paul takes this parable to show the soul under the law in the flesh. (Is the law of the flesh to sin?) Only if the body, which is under the authority of such a law, dies, the soul can be freed. Sin lives because there is a commandment when the soul works in the human body. (Sin occurs when the law is broken). Thus the soul lives enslaved to the body, but the soul is set free because the body dies with Christ. This soul is born again as Christ. Thus emanating the divine nature and living as a new man. ***(Romans 7:4 Therefore, brothers, you also died to the law body of Christ, so that we might bear fruit for God and become someone else who has been raised from the dead.)***

Because this happens in a person through

faith, that person 'leaves the destruction of lust in the world and becomes a companion of the divine nature'. (2 Peter 1:4)

The Bible reveals many laws. The best of them is the relationship between husband and wife. It is a severable bond. Other relationships between humans on earth are not so severable. This relationship is fixed in this way to indicate a spiritual relationship between soul and flesh (devil). But the freed, incorporeal souls are called gods. The Word describes them as children of the Most High.*(Daniel 2:11 And it is a rare thing that the king requireth, and there is none other that can shew it before the king, except the gods, whose dwelling is not with flesh.)*

Jesus is the Son of the Most High God and God of gods.*(Mark 5:6 And he cried out with a loud voice: Jesus, Son of the Most High God, what have I to do with you? I beseech you, O God, do not metorment. John 10: 35-36 If God said to those to whom the word of God came, they are*

gods. 36 Do you say to him whom the Father sanctified and sent into the world, that you blaspheme, because I said, I am the Son of God?)

God does not give to birth children through the physical law which is the law of the devil. It is born of God, by the Spirit of God.***(John 1:13 They were not born of blood , nor of the will of the flesh nor of the will of man , but of God.)***

It is not born in the flesh. Similarly, the word reveals that Jesus was born of a virgin and not touched by men. ***(Matthew 1:18 But the birth of Jesus Christ was like this. After his mother Mary had been married to Joseph before they came together, he saw she was pregnant by the Holy Spirit. Luke 1: 34-35 Mary said to the angel: How can this happen because I do not know man. 35 And the angel said: The Holy Spirit will come upon you; The power of the Most High will overshadow you; Therefore, the holy people that arise will be called the Son of God.)***

Those who live for Jesus Christ must believe they have crucified the flesh with all its lusts.*(Galatians 5:23 Those who belong to Christ Jesus have crucified the flesh with its lusts.)*

Man serves the commandments of God with the mind. Man is the one who serves sin with the flesh. Therefore, the flesh, which stands in the way of serving God, must be completely abandoned. Through God's law, through faith, man is exempted from the condemnation of coming in. Through it man is freed from the flesh of sin and from under the law. Therefore, 'there is now no condemnation for those who are in Christ Jesus'. *(Romans 8:1-2 Therefore there is now no condemnation for those who are in Christ Jesus. 2 The commandment of the Spirit of life has made me free from the commandment of sin and death in Christ Jesus.)*

(In this wa, man is good like Jesus who does not need the law.)

Through this, the New Testament man (new soul) is changed to be the one who brings out all the righteousness of the law system that God gave to Israel. Such a life is made possible by the Holy Spirit, not for those who read the Word and understand good and evil, but for those who believe according to the rules. In the sphere of faith Let all who are, examine their faith and works.*(2 Corinthians 13:5 Test yourselves to see if you are in the faith; examine yourselves . If you are not unworthy, do you not know that Jesus Christ is in you?)***

Many impurities found in the laws given by Bible remained till sunset. But the man died with Lord, has been freed from all such bodily impurity. That is why God does not seen in impure anything through the law, be it menstruation, impurity due to semen, death, or childbirth. That It is enough for humans to keep their bodies clean at all times. But some people still keep all these things as impurity. We can also see that many laws

are applied only to women. Patriarchy is strong everywhere. But in Christianity, there is no difference between male and female, The epistles reveal that believers must produce the uniqueness of Christ's charecter dwells in everyone. The curse in man due to his inability to obey God's commandments has also been removed through death on the cross.*(Galatians 3:13 "Cursed is everyone who hangs on a tree" Christ became a curse for us. He redeemed us from the curse of the law.)*

No matter what kind of philosophies, religious beliefs, scientific technologies, wealth, powers, or beauty enhancements you earned, man is not capable of fulfilling the desire of eternal life that God has placed within man. Because God has made everything beautiful in its time and placed eternity in the hearts of men. Man is a creature growing up, they find their own ways to achieve it. Man today buys traditional gods with the ease of buying goods from a market. All the arts of life and religions work with this goal in mind.

Even Christianity;*(John 17:3'To know you, the only true God, and Jesus Christ, whom you have sent, is eternal life'.)*

Listen to what the Gospel of John says in the third chapter, the sixteenth verse. *("God so loved the world he gave his only begotten Son, that whosoever believeth in him should not perish, but have eternal life.")*

There is a great verse in the Brihadaranya Kopanishat. " Asatoma Satgamaya, Tamasoma Jyotirgamaya, Mrityorma Amritangamaya"

Lead me from falsehood to truth, lead me from darkness to light. Lead me from death to eternal life. The answer to this prayer of the sages can be seen in Jesus. *(John 14:6 'I am the way, the truth and the life'. John 8:12'I am the light of the world. 'He that followeth me shall not walk in darkness, but shall have the light of life. 'John 5:24' Hear my word; He that believeth on him that sent him hath eternal life;*

He is not in judgment but has passed from death to life'.)

Dear friends, you can find the light you seek in Jesus.

The Word makes it clear that God has chosen souls before the foundation of the world and that choice is accomplished by sending them to earth in sinful flesh. ***(Ephesians 1:4 He chose us in him-self before the foundation of the world, that we should be holy and blameless in his sight;)(Mark 16:16 He who believes and is baptized will be saved; He who does not be-lieve will be condemned.)***

Human logic and rationality do not ac-cept faith. Faith is something that comes at no cost. Just putting your mind to it is enough. By such pure faith any man can enter the kingdom of Jesus for eter-nity.Man is separated from sin through Jesus Christ. As a result, man is freed from all forms of worship, such as idola-try and worshiping men. He becomes a

worshiper of God in the Spirit of God and in Christ.*(John 4:23-24 The hour is coming when true worshipers will worship the Father in spirit and in truth ; now has come. The Father wants those who worship him to be like this. 24 God is spirit ; those who worship him must worship in spirit and truth.)*

Such a new man (new creation) will be simple in life, keep hope for the kingdom to come, love his fellow creatures especially his fellow believers, be humble and merciful, and love agriculture and nature. By forming the institution of a society that lives away from sin by such individuals The kingdom of God is being established on earth. The continuation of that lifestyle is the eternal life after death, or the eternal life that men receive through Christ while living.*(1 Corinthians 15:52-53 We shall not all sleep, but we shall all be changed in the blink of an eye at the sound of the last trumpet. The trumpet will sound, and the dead will be raised incorruptible, and we will be*

changed. 53 This which is corruptible shall put on corruption, and this which is mortal shall put on immortality.)

From what has been mentioned, it is possible for humans to live free from sin through the New Testament of dying with Christ. But since there are no special—external or internal (heart) miracles happening in man, when the human spirit creates this kind of doubt that such a life is possible for the soul living in the sinful flesh, the Spirit will remind us that it is possible with the Spirit of God and that we are God's children.

(Romans 8:16 The Spirit himself and our spirit bear witness that we are children of God.)

The writer, apostle James adds in the New Testament that the man who doubts the removal of the sinful flesh and the human spirit will be unstable in all his ways of life.

(James 1:8 A double- minded man is unstable in all his ways.)

When one who is born of the flesh hurts the one born of the spirit, the scripture says to cast out the handmaid and the son. The soul (Isaac), the human spirit (Hagar) and the flesh (Ishmael) can be seen here.*(Galatians 4:29 But as then he that was born after the flesh persecuted him that was born after the Spirit, even so it is now..30 What does the scripture say; put away the bondwoman and her son; the son of the bondwoman shall not be an heir with the son of the free.)*

It is against man's hope that man should live a life free from sin. But trust in the idea and wait for it. By heartily obeying His counsel, man receives the fruit of his faith in life. The Word reminds the believer of this through the example of Abraham the father. The Word reveals that even though he had no children, he believed God's words that he would be the father of many nations, even though it was against his hope.*(Romans 4:18-20 "He believed against hope that he would*

become the father of many nations, just as it was said, 'Thus shall your seed be. 'He did not doubt because of unbelief because of the promise, but strengthened himself in faith and gave glory to God.)

It is by faith that man should follow Christ to Calvary. No one has to do it literally. Only in such a man will Christ dwell by faith.

'I have chosen you to bear lasting fruit ' Jesus reminds his disciples.
(John 15:16 Not that you have chosen me, but I have chosen you, that you should go and bear fruit and that your fruit should remain;)

Today, we can see many ministers who preach the word while giving miraculous healing services. Healing is the revelation of God's mercy. That, many people mistake it as the Christian life. But when healing is received through the Word, no symptoms of the cured disease come out afterwards. Similarly, a man who has

been freed from sin through the gospel no longer emits the sinful nature he had.It is the theology. It involves faith alone. Anyone can trust and verify this.*('Taste that Jehovah is good; Blessed is the man who takes refuge in Him. Psalms 34:8)* was written by the psalmist Complete forgiveness from Jehovah is seen in the soul. In further detail, what a woman or a man achieves through the Christian life is the uniqueness of the full human personality in Christ.(Masculine and female identity are included in it.) In childhood, adolescence, youth and old age. The believer is appointed to bring forth Christ's humanity. (Infants are exempt from the law until they reach the age of specific time because they do not have the intellect). According to Jehovah's Word (Christ's doctrine) when a child walks he can keep his ways clean. The Psalmist records in verse 9 of Psalms 119.*(Psalms 119:9 Wherewithal shall a young man cleanse his way? by taking heed thereto according to thy word.)*

('A gray head is a bright crown" Proverbs

*16:31)***But there are a lot of Christians today who paint and hide the uniqueness of old age. Not only that, the religious community, including preachers who do not realize that the body is the cause of sin, who decorates the body with flamboyant clothes and ornaments in such a way that the beauty of the body is visible; such cannot be seen in Christ . It can be seen that the wastage of food, the proliferation of vehicles, the houses that are built unnecessarily even though there are few members are causing health damage - even death - to nature and fellow creatures. The Word advises us to choose any kind of occupations that are found in nature and acceptable for earning money and to be owners of a simple life.**

(Proverbs 14: 23 All labor is profitable; but by lip service comes oppression.)

(2 Thessalonians 3:8-12 We labored day and night, not without power, for we have labored day and night, saying that no one's food has been in vain., and that none of you has become a burden.10 For we commanded while we were still with you, He

who is not willing to work should not eat."12 To those who are like this: We command and exhort in the Lord Jesus Christ that they should work slowly and eat diligently.).

The priests who repent by building skyscraper churches by committing extravagances are deceiving the believers. In the epistle, Paul writes about the brotherhood that creates equality.
(2 Corinthians 8:13-14 It does not mean that others should have prosperity and you should have poverty, but equality is needed. 14 So that there may be equality, let your prosperity be for your poverty.)

The word of God has been changed into the teaching form of Christ in a way that is suitable for the recovery of the human soul and the subsequent pure life. Ultimately, through this new doctrine, man obtains complete forgiveness of sins and becomes a servant of righteousness.*(Romans 6:17,18 But although you were slaves of you obeyed the form of doctrine that was taught to*

you wholeheartedly. 18 Thanks be to God because you were freed from sin and became slaves of righteousness.)

Man does not have the ability to understand what God has done from the beginning for man to acquire the mystery of eternity, which is the right of generations. The Word reveals that it is through Christ that God redeems man in the last days, whom sinned in the beginning.*(1 Corinthians 1:30 'He (Jesus) became for us wisdom, righteousness, cleansing and redemption from God'.)*

Man is born primitive in the former and the spirit within him in the latter and entering. Spirituality comes through faith in any religion. Spirituality grows in human beings as a man grows a beard. A man is free to accept or not accept spirituality just as a man is free to grow or remove his beard. A woman is not a separate person. All for men laws also apply to women. 'Woman is the perfection and splendor of man'.*(1 Corinthians 11:7, -11 Man should not wear a veil because he is*

the image and glory of God. Woman is the glory of man. 8 Man did not come from woman nor woman from man. 9 Man not created for woman, for woman created for man. 10 Therefore, the woman has authority over the head because the angels. Must have. 11 But in the Lord there is no woman without the man, and there is no man without the woman.)

It was only after sin, we can see that man and woman gave birth to children. As the woman (soul) came from Adam in a sinless state, let there be many souls through rebirth from the sinless Christ. (The anointed kings and priests of Israel had accepted polygamy.)

In the Rigveda it is seen that atonement and salvation are aimed at. In the 4th century BC, sages of India searched for a son whose word was not stained with sin, who did not do violence to anyone, and who leaned on the path of truth. (Rigveda 3:14) But in the center of the earth i.e. in Bethlehem such a son The Word gives proof that it was born. Which other relig-

ion has such a pure personality of gods? Hey, Hindu devotees, God- seekers, the one who is “Guru Sakshat Parabrahmam” is Jesus himself who came and lived on earth as a real Master.The Master himself explains about it like this. ***(John 13:13 'You call me Master and Lord; You are right because I am like that. (Matthew 23:10 'One is your hero, that is Christ himself'.)***

According to an estimate from the last decade of the 20th century, there are more than two thousand Christian congregations. It is easy to discover on what foundation the congregations of the Church, so ancient and chosen in Christ before the foundation of the world, are built. Here you can see the religious priests who give the message that the Christian life is to acquire perishable wealth and other material goods in this perishable world. The knowledge of good and evil came to man through the deception of sin. Thus man, who has become like God, has an indwelling of sin. That is

what man should know first. Holy Book is the first among the religious books that have been sent down in the world. In the second part of the book,the New Testament, it tells the reason why mankind lives as a slave to sin. Not only that, it also talks about the liberation that comes from it.

Tilothama in the history of Sundopasunda in the *Mahabharata story and Ulupika who takes Arjuna by his side stand in the book as symbols of creating lust in man. "Sinners" can also be seen in the leadership of Panchali's clothes-shaming.

Vatmiki describes the words of Sri Rama, who was only a king of the Tretayuga and was searching for truth, in
the *Ramayana.“ Who is this god spoken of by you, Brahma - wise Master? where is If you know this God, will you attain salvation? How can I get this God”? Vasishta Maharshi says this in response."I said because of any God, that God is not far away. What shines eternally is in the

body itself."
(*Indain Mythology)

What this truth calls out is that Lord Rama was not the Supreme Being (God)? Likewise, Sri Rama's life was not sinless. VatmikiRamayanam Aranyakandam Sargam 63 says that Sri Rama himself had the ideal knowledge. "There will be no other person on this earth who has committed a sin like me. Because Grief is constantly following me, gnawing at my heart and mind.'Was n't it this guilt that prompted Lord Rama to throw away everything and perform self-immolation (suicide) in Sarayu river? How can Lord Rama, who was haunted by sin and sorrow, become the savior of mankind?

Sri Krishnacharitam introduces Sri Krishna, the incarnation of Dwapara Yuga. Dr. P. S. Nair's translation of the Mahabharata refers to the appearance of Lord Krishna as a"false mind". How can Sri Krishna, who came in Dwapara Yuga, become the savior of the world, who died

by the hunter's arrow as a punishment for coming as Rama in Tretayuga and killing Bali in cheating?

But when the Roman soldiers and the Jewish law could not kill him, Jesus gave himself to death and became the world's savior by bearing the sin.*(Galatians 1:3 for our sins, that he might deliver from the present evil world, according to the will of our God and Father. Our Lord Jesus Christ as the one who gave Himself: _ John 1:29 The next day he saw Jesus coming to him: Behold the Lamb of God, which the worldtaketh away;, 4:42 We no longer believe in your words; We ourselves have heard and know that He is indeed the Savior of the world said to the woman.)*

Prophet Muhammad recorded in the Qur'an Surah 17, verse 15, "No one who bears sin can bear the sin of another." Is it not to give evidence that Jesus, who is sinless, was appointed to bear the sins of others?(Sura 17, Isra'a 15 *Whoever chooses to be guided, it is only for their*

own good. And whoever chooses to stray, it is only to their own loss. No soul burdened with sin will bear the burden of another.)

Man's journey started with immorality and then it produced its own results and when faced with death, the best starting point for the solution of immorality is for man first to understand that it is because of what was allowed to him by the Creator. One of the language lessons that the author received during his schooling do not write lower case at the beginning of the lines.(in Malayalam language) But when computer printing came along, that rule sometimes seemed to be broken. As a result of many inventions and intellectual development, sin has been allowed in many places. This is what the sage asks in the twenty-eighth verse of the second *Rigveda.*IndianMythology "Untie and be free from sin as a milkman untieth a calf"!

Section 8 (A) of the Indian Penal Code, 1956, which prohibits immoral activities,

provides for the punishment of those who utter words inciting adultery or display of private parts. But people should remember that such acts which have been made commonplace deserve punishment.

Mohandas Karamchand Gandhi and Karl Marx are some of the people who are widely recognized by the world. Among their writings, "My truth seeking experiments" and "Capital" are books attention. You can see the mysteries of Bible in its visions. Christianity worships abstract man and monotheism etc Marx notes that it is the most suitable form of religion (Capital 1:25). If Gandhi's followers had seen "Christ's testimony on the cross" and learned the doctrine! The "Gandhi Way" discovered and proclaimed by Gandhi is a moral life based on the teachings of Christ as found in the New Testament. But in the teachings of Christ, Shri M. K. Gandhi to understand the "testimony in the cross" could not. Because what Gandhi examined was the lifestyle of the "English Christians" who

were unable to fully understand Christ. *(John 1:12 'Those who receive him and believe in his name will become children of God. He gave authority'.)*The secret and overt divinity of God was not revealed to Shri Gandhi through the Spirit of God. The Christian life is teaching by the Holy Spirit through faith. May Shri Gandhi also be in God's Kingdom because he read and accepted the word and kept it. (All those who follow the path of Gandhi should read the Bible as Gandhi read it and understand more mysteries.) May the soul of Karl Marx be well too!

Swami Vivekananda , the spiritual master of the Indian Hindu people, has written about Jesus in the Vivekananda Sahitya Sarvasvam with the description "God Incarnate".
"Jesus Christ was God in man.The Lord, he has expressed himself many times in many forms. Only these you can worship. God is not worshipable in His absolute form. Worshiping such a God is absurd. We must worship Jesus Christ. God is worshiped separately from Christ The

sooner you leave, the better for you. Whenever you try to create a God who is greater than Christ, you confuse the whole. Stay close to Christ if you want salvation. He is higher than any God you can imagine. If you think Christ was a man, do not worship him. God appears in Christ. Before Christ, God was every-where. In everything. But it is in Christ that we are aware of God. This is God. The third is love, the Holy Spirit. As soon as you get this knowledge, you will get happiness. As we begin to embrace Christ You get pleasure. (V. Sa. Sa. 7: 439)

Shri. Sukumar Azhikode, In his writing "Tattvamasi" he seeks the solution of heart disease (sin) through Vedic Upani-shads. The Prophet Muhammad has also been found about the sin as heart dis-ease. I hope that those who are looking for the truth to remove the sin that is heart disease will find it in Christ as soon as possible and may God cause them to remain in the truth forever.

The efforts made by religious and cultural organizations using their own science of justice to remove the innate immorality in human nature and to create a society based on justice is remarkable. It aims at getting the condition that man was in when he was created in the beginning. But the search for God based on knowledge of God Otherwise, "religion" has become something that humans cannot obey, but it has become a way of life for a group. But God says that the radical life renewal of an unrighteous man should be through repentance, and faith. ***(Apo. Acts 14:16, 17:30 'In times past he accepted all men to walk in their own ways; Therefore, God does not aim at times of ignorance, but now, everywhere, God commands people to repent.)***

The creation, the promise of eternal life, his immoral life, and his search through all religions have been permitted by God at every time. But when the time was over, Jehovah God revealed himself and saved mankind in the name of Jesus

(Savior). In that testimony of the good thief(soul) was advertising the entry into heaven, and the destruction of the body the bad thief(devil) due to sin. Let it be easy for the truth -seeking Hindus, Muslims, and anyone else to accept this mystery, who accept that the soul has a salvation.*("I was born to bear witness to the truth and for that I have come into the world. The word of Jesus which is" John 18:37)* gives the testimony of death on the cross to free man from sin. But those who read the Word and those who rely on other religions through their book trying to organize life in the knowledge of good and bad. Prophet Isaiah records in Chapter 55: 8 that when the human mind thinks like that, the divine thought is in a different way.*(Isaiah Chapter 55: 8 'My thoughts are not your thoughts; 'Your ways are not my ways,' says Jehovah.*)

Matthew records that when Christ said that it was necessary for Christ to die on the cross, for the atonement of sins, Peter said that it was something that should not

have happened to Jesus.*(Matthew 16:23 And he turned and said unto Peter, Get thee behind me, Satan; I stumble; You do not think of God but of men.)*

It is difficult to count all the immoral acts found in mankind. It reveals that the lustful man has become the source of various sinful activities and the crimes arising from the influence of modern technology. It does not matter here that the cyber crime investigation branch was created; It does not matter if the number of rules is increased; neither the National Security Department nor the judiciary can strangle immorality and eradicate it. If that were possible, there would be no need to add the names of high judges, administrators and police chiefs to the list of criminals."But to the generation that is to be born again, the ministers of the New Testament will come and tell that He has fulfilled on the cross. The writer has recorded in the Messianic psalm, that they will proclaim about righteousness.
(Psalms 22:31 They will come and declare

his righteousness to the people who will be born.)

Even today, some people travel to all the interior areas of India and distribute the New Testament book with blue, red, white and black covers. The New Testament is the new testament to eradicate the immorality found in mankind. Two separate persons , like a marriage contract; let it be stated that this is the agreement made by mutual consent. It is also referred to as the "Last Supper" (the final covenant of atonement) before Christ's death. Man who is led to death, the wages of sin, enters into a covenant with Jesus before entering into the sleep of death.*(Revelation 3 As we read in verse 20 "I stand at the door and knock; if anyone hears my voice and opens the door , I will come in to him, and he will dine with me".)*

Christ and man become partakers of the same covenant, and man becomes free from sin and live attains eternity.

The New Testament is less than three hundred pages long. Only if the reader of that book is very discerning, by God, can he find the "New Testament" in it. There will be no law in it beyond what the Old Testament gives. But from all religious scriptures, including Judaism “The New Testament" takes a different view. It mainly includes the fruitfulness of the Christian life, responsibilities, steward-ship, true worship, effective prayer, fel-lowship and breaking of bread, and fast-ing. But "the word of the cross" "the Christ crucified," and so on such words through, that law shows the completeness of human life and how to straighten the lost paths of his life.

Among the compositional characteristics of the human body, the presence of four-teen types of elements found in the soil from which it was taken is mainly found. Life can be seen to be sustained by carry-ing out metabolic activities by taking in

food, water and air. Here the body has the skills to seek employment, seek food and lead a married life; this writer does not like to bring people who are born mentally retarded here. God is too sufficient to give them eternal life. The Word makes it clear that the life found in man is imparted from God.*(Genesis 2 :7 Jehovah God made the dust of the ground After creating man, he breathed the breath of life into his nostrils, and man became a living soul.)***

The word also makes it clear that life resides in the blood.*(Leviticus 17:11 For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul.)***

But animals, other invisible and visible species, plant species, and other cosmic systems have all come into being because of God's words and handiwork. (Words are not enough to describe it.) It is by faith that all religious people know that it

is so.

Here is a description about it from the Holy Book,

(Genesis 1 : 1-31 In the beginning God created the heavens and the earth. 2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. 3 And God said, Let there be light: and there was light. 4 And God saw the light, that it was good: and God divided the light from the darkness. 5 God called the light day and the darkness night. 6 God let there be a firmament in the midst of the waters; It was ordered that there should be a separation between the water and the water. 7 God made the roof, and God is under the roof The water was separated from the water on the ceiling; So it happened. 8 God called the firmament Sky. It was evening and dawn, the second day. 9 God: Let the waters under the sky gather to one place; He commanded to see the dry land; So it happened 10 for dry land God named the earth and the body of Ocean; God saw

that it was. good. 11 And God commanded that out of the earth should grow grass and plants with seed, and trees bearing fruit with their kind of seed on the earth; So it happened. 12 The grass from the earth bears fruit with its kind of seed The trees also sprouted; God saw that it was good. 13 It was evening and dawn, the third day. 14 Let there be lights in the firmament to divide the day from the night ; Let them serve as signs and to recognize times, days, and years; 15 Let them be lights in the firmament to give light on the earth ordered So it happened. 16 God made two great lights, the greater light to rule the day and the lesser light to rule the night; He also made the stars. 17 To give light to the earth, to rule the day and the night, and to separate the light from the darkness, 18 God placed them in the firmament; good God saw that. 19 It was evening and dawn, the fourth day. 20 Let the aquatic creatures be born in groups in the water; above the earth; God commanded that birds fly in the sky. 21 And God created great whales,

and every kind of living thing that swarms in the water, and every kind of bird; God saw that it was good. 22 Be ye multiplied and filled with the waters of the sea; God blessed them by commanding them to multiply on the earth. 23 Evening dawned, the fifth day. 24 God commanded that every kind of animal should come out of the earth, such as cattle, creeping things, and wild animals; So it happened. 25 Thus God made wild beasts after their kind, cattle after their kind, and cattle after their kind; God said it is good saw _ 26 Then God said: Let us make man in our image, after our likeness; They commanded that they rule over the fish in the sea, over the birds in the sky, over the animals, over the whole earth and over every creeping thing that creeps on the earth. 27 Thus God created man in His own image, and in the image of God created him, male and female created them. 28 God blessed them and commanded them to be fruitful and multiply and fill the earth and subdue it and rule over the fish of the sea and over the birds

of the air and over every living thing of the earth. 29 Behold, every seed - bearing plant on the earth, and every tree bearing the fruit of the seed, I have given you. given; Let them be food for you; 30 God commanded that I have given every green plant for food to every animal on the earth, to every bird in the sky and to every creeping thing on the ground; So it happened. 31 God looked at everything he had made and saw that it was very good. It's dusk Good morning, sixth day. ***(Hebrews 11:3 We know by faith that the world was created by the word of God , that the visible world does not have a visible cause.)***

Shri. Sukumar Azhikode's comment is wrong. Anyone who says something without understanding what Christ taught can come in and test whether they can do it through faith in Jesus. But According to the words of Jesus, whoever believes in Jesus will do what Jesus did and greater than that.***(John 14:12 Amen , amen , I say to you , the works that I do , he who be-***

lieves in me will also do ; because I go to the Father , he will do greater than these.)

Here Jesus means that man will die with Christ just as Jesus died (did) for the atonement of sin, and then he will receive the Holy Spirit and live a greater life than Christ lived on the earth by faith. Because Christ lived a life from a holy personality. But a human, he is in a flesh with sinful tendencies and forgets the sinful flesh through the faith he accepted and produces a life, it will be a greater life than Jesus lived! Believers should also understand that he did not use any of the skills that he had to make his own life beautiful. He lived only as a carpenter in a fully human nature.

We must understand that the atonement found in the New Testament is to be obtained by faith and the apostles taught to remain in that faith. But it can be seen that the religious leadership that came later changed this doctrine and formed independent churches in accordance with their own intellectual strategies. Christ's

“on the cross Churches that do not teach "testimony" are all seen here today. Therefore, the Christians who came later were not able to fully achieve the atonement of the New Testament. Thus, when the completeness of the Bible could not be found, "Prophet Muhammad" by his own conclusion, he added some of the Old Testament, with some scientific truths and wrote in a wrong manner; and it known as Qur'an.

Bible does not aim to reveal the facts of science. Rather, it reveals a theology for the removal of sin in man.

Many references in the Bible are to be understood only spiritually and therefore give scientifical ambiguity. (Prophet Muhammad sought the physical accuracy of the book of truth. Can anyone show God with a physical level? If so, what is faith?) If we seek the physical accuracy of faith is the result is only emptiness. Therefore, the Word reveals that' the things that are hidden belong to Jehovah our God and the law that has been revealed is for you

and your children to obey today and forever'*(Deuteronomy 29:28 The hidden things belong to Jehovah our God; the revealed things belong to us and to our children forever, that we may walk in all the words of this law.)*

If the atonement took place in Christ, then all men should have been freed from sin. But an opinion is emerging that even people who know about good and bad are still living in sin. Only those who understand spiritually can point out that faith is the way to get rid of sin. The believer can lead a holy life from the faith he has accepted. Because God is holy, the way that God has ordained for humans to become holy is the way of faith.Not the way of good and evil.*(Leviticus 11:44 I am the Lord your God; because I am holy, you must sanctify yourselves and be holy; 1 Peter 1:16 "Because I am holy, you also be holy."is written.)*

Thus the new religion (Islam) that emerged in the 6th century was only a

distorted version of Judaism. What Jesus accomplished on the cross is for man to attain by faith. When Muhammad managed such a pure life, the way he found to kill all the wicked in the world was Jihad (holy war) in the Qur'an.That is, it has changed to the point of "crucifying" (crucifying) all the wicked. According to the Qur'an, it is not possible for God's commandments to control the 'desires' of man. (Quran Surah 19 Maryam 59, Surah 30 Al-Rum 29). People dealing with the same Book (Quran), there are different opinions about the death of Christ. Because (Quran) it is human and not divine. ***(Quran Surah 19 Maryam:59. But they were succeeded by generations who lost the prayers and followed their appetites. They will meet perdition.29. Yet the wrongdoers follow their desires without knowledge. But who can guide whom God leaves astray? They will have no helpers.)***

***(John 3:6 ' That which is born of the flesh is flesh: born of the Spirit is the spirit)'*. He**

was not born of the flesh but was a soul born of the Spirit of God. He was like the physical nature of Adam in the beginning and had a complete spirit; In the body His eyes did not see evil; like the gaze of a child.

In the Christian faith, more or less, no matter how many denominations they belong to, the one belief that Christ is the redeemer is found in all Christians. But a sinless life is not possible in such believers, because of the absence of a healthy and stable faith.

When a human child is born and goes through the stages of development, the rules of moral life enter into the child. Likewise, it can be seen that the moral life rules that can be seen in some other religious books were given to Israel in its complete form in the life development of mankind in 1500 BC. Comparison with the modern world if done, there was less scientific and technological progress during that period. However, since it contains even the laws of these times, there is

no need to cancel or renew any of its laws. (There is now a clamor to cancel the Muslim law of triple talaq.) But the laws of this book of truth It is a fact that man has not been given a mental stability to obey. Compared to the commandments of God, man is mentally handicapped. "Do not judge that I have come to destroy the law or the prophets. By saying, *"I have not come to destroy, but to ful-fill" (Matthew 5:17).*

The end of the law, He has been revealed so that who believe those Jesus who makes man a new creation in the soul). so that the of justice the law can be fulfilled. *(Romans 10:4 Christ is the end of the law for righteousness to everyone who be-lieves.)*

Here we see the fulfillment of Abraham's blessing promise received. (God fulfills the promise that man will produce the di-vine nature.) Just as he fulfilled it by giv-ing a son to Sarah at the right time. *(Genesis 21 :1-2 Then the Lord visited Sarah as he had said, and the Lord ful-*

filled what he had promised. 2 In the old age of Abraham, Sarah conceived and gave birth to a son.)

Thus it can be seen that the fulfillment of the commandment (law) given by God to Israel (being made to be obeyed by humans) is with the sacrifice of Jesus' body. To overcome this world and sinful body by that Master who helps man not to commit sins "any more" without judging the punishment for the sins committed; may he be the intercessor for all who believe in him.

Another thing we can see on the cross is suffering. The writer records that He learned obedience and became perfect through the sufferings endured by the righteous One.
(Hebrews 5 :8-9 But the Son learned obedience through his sufferings and became perfect 9 to all who obey him. He became the cause of eternal salvation.)

He was perfect in his personal life from

childhood. But the Word reveals that the sufferings that should come to those who believe in him are modeled in Christ. As He is the model of the destruction of sin, He is also the model of suffering.*(1 Peter 2:21 'Christ also suffered for you, leaving an example for you to follow in his steps'.)*

The Christian life is not a life of luxury. A believer is called to endure reproach, beating, isolation, misery, poverty, pain, and even death for the sake of Christ. Christ and the believer are not the example of the one who causes sin, but the example of the one who removes sin;As a part of the church service, the believers receive graces. In addition, believers should know that you have been given the gift not only to believe in Christ but also to suffer for him.*(Philippians 1:29 God himself put it. You have been given the gift not only to believe in Christ but also to suffer for Him.)*

God invites man to this way of life of faith. Anyone can by denying himself, be-

lieve and come and follow Jesus with his cross and walk righteously as He walked after the atonement.*(1 John 2:6 'He who says he abides in him must walk as he walked'.)*

Believers who are freed from sin (those who keep steadfast faith) are not subject to the trials of sin. Let's check this with an example. Of the many sights that a four -year-old child and an eighteen -year -old youth see, many do not affect the child's heart. Many desires that arise in the heart of the youth will not affect the child. A child's look, heart and mind are different from that of a young man. It is because the heart of Jesus and the heart of the believer are like that child that the writer of Hebrews said that Jesus was tested equally with us except for sin. *(Hebrews 4:15 The high priest we have is not one who can not sympathize with our weaknesses; we have one who has been tested equally with us in everything except sin.)*

Dear reader, if you are a believer, what is your state of mind in sinful situations? Are you in a winning state of mind? Or is it the old life? Will you check it out? If the reader is not yet in Christ, you can receive Christ as your Savior today by faith. You can grow up to be a disciple of the Lord and remain in His commandments by believing; through the baptism; symbolizing death, and receiving the Holy Spirit as a symbol of participation in that death. A good life from faith, all may God enable you to lead a life of sacrifice in every way.

****

7. Disclosure.

A husband and wife enter into a marriage contract by taking the same vow. In the same way, through an agreement that "Christ and the man of sin die together", those who died to sin and rose again live for God.*(Romans 6:10-11 He died for sin once for all; He lives for God. 11 So count yourselves dead to sin and alive to God in Christ Jesus.)*

When Adam and Eve ate from the tree, their souls died spiritually. But they did not literally die there. It was a judgment. Since it is not literal death, it can also be called spiritual death. Because the judgment of men is before the throne of Jesus conducted*(2 Corinthians 5:10 What he did when he was in the body was good and bad. We must all appear before the judgment seat in order to receive it accordingly.)*

However, the judgment of their soul was carried out through Christ and they have

become children of God by wearing the garment of righteousness that is Christ. The Testament New describes Adam as the son of God. ***(Luke 3:38 Cainan the son of Enos, Enos the son of Seth, Seth the son of Adam, Adam son of god;*** **and that is not a carnal status. (can not be in the flesh)**

Many may live as godly people. We should study the growth stages of such human beings from their infancy. Infants do not sin through mental interactions, through gaze. In sinless infants, the sin that resides in their organs enters the mind (heart). Sin has taken over the innocent childish mind where sin rules. We should try to understand their growth.Let us understand through the word.

It is not the writer's interest here to cast aspersions on important figures who have found their place in religious texts. Here we examine their actions in life and the condition of their hearts.

In the Bible, King David is described as "the servant of God". Solomon is said to be "the beloved of God." Let us bring both of them here in this context.King David, who was the king of Israel, was a perfect devotee who lived under Jehovah's perfect law. But after he became king, we see him killing a man named Uriah who was a warrior with him on the battlefield. It can be seen that murder is doing according to the instructions given in the letter given to Joab. The good man Uriah, on the other hand, was not a man who raised his arms against his master, nor did he cause trouble. The man was doing the best he could under the circumstances. We must understand the circumstances that led to the death of that man, Bathsheba's husband.

In the Old Testament, we should read the eleventh chapter in the second book named after the prophet Samuel.God gave Israel the Ten Commandments. The last of which can be seen is the commandment to "covet not."*(Exodus 20:17 You shall not covet your neighbor's house; you*

shall not covet your neighbor's wife, his manservant, his maidservant, his ox, his donkey, or anything that belongs to your neighbor.)

The first four of the Ten Commandments are given in the relationship between man and God. But the other six commandments are given in the relationship between people.The human body inhabited by the master "sin" is incapable of obeying the commandment "do not covet". That is why man is disobedient to all God's commandments. The devil's desire to debase man so as to reject God's commandments was first fulfilled in Eve. ***(Genesis 3 :6 And the woman said, The fruit of the tree is good to eat, and pleasant to the sight, and desirable for wisdom. Saw the fruit and ate it and gave it to her husband. He also ate.)(Qur'an Sura 95 Suratutteen 4,5 We created man in the best design.5. Then reduced him to the lowest of the low.*****)**

In that "good" view of Eve', when Eve

submitted to the master of sin (satan), the human body was transferred into slavery to that master. Consequently "sin" In-dwelling in each of the human , led to transgress what God has commanded them to do and what not to do.

David knew in his mind the tenth commandment, "Thou shalt not covet anything that belongs to another," and the sixth commandment, "Thou shalt not commit adultery." But the sin that dwelled in David's flesh (soul) did not allow him to obey that commandment (to bring forth the righteousness of that law) in the circumstances of life before him. So David fell in love with the woman who was bathing. Women who take a bath without modesty are also responsible for sin. The Word reveals that David also committed adultery by sleeping with her. ***(2 Samuel 11:2-5 One day when evening came At the time, David got up from the mattress and was walking on the palace of the royal palace. He saw a woman bathing from the palace; That woman was very***

beautiful. 3 David sent and inquired about the woman. She was known as Bath - sheba, daughter of Eliam and wife of Uriah the. 4 David sent messengers brought her; She came to him; He slept with her because she was in her prime; She returned to her house. 5 The woman conceived and sent word to David that she was pregnant.)

As Bathsheba, who should only give birth to Uriah's child, gave birth to someone else's child, the human being produces the fruit of the devil and. In order to show that what man produces is death, the Word shows that the child of their relationship died. *(2 Samuel 12: 15-18 Uriah 's wife to David Jehovah struck the child that was born, and it became seriously ill. 16 David prayed to God for the child; David fasted and went in and lay on the ground all night. 17 His householders stood by, eager to raise him up from the ground; But he did not understand. Eat with them Didn't eat. 18 But the child died on the seventh day.)*

The Word also reveals that Solomon, "beloved of God", was seduced by many foreign wives and became a sinner. ***(Nehemiah 13:26 Did not Solomon the king of Israel sin because of this? There was not a king like him among many nations; because he was beloved by his God: God gave him made king over all Israel; But he was also seduced by foreign wives and committed sin.)***

In general, what has happened to the human race here? In the book of the New Testament, the epistle written by James, the first chapter, verse 14, it is written that' everyone is tempted by his own lust and being enticed'. King David lusted in his heart to possess her and kill her husband became intermediate. This is how Apostle Paul explains the theology of this in order to know why this happens to man.***(Romans 7:8 'Sin, having occasion, by the commandment, gave birth to all kinds of lust in me'.)***

The adulterous generation of mankind is the man who commits sin after being attracted and seduced by his own lust that has created sin. Eve was tempted by the lust created by the devil and sinned. But when she lusted, she sinned it was done. When man goes through trials, if he is involved in it, he has committed sin. The Master has said that even the lust of a man for a woman is a sin.*(Matthew 5:28 I say to you that whoever looks at a woman to lust after her will tell her everything with his heart Adultery is done.).*
Eve's inner desire caused her to break the commandment of "do n't eat".

Whatever type of crime we see today, we can see that there is a lust behind it. The "holy war" waged by ISIS is a desire for power that violates the written law for fulfillment. Those who display their physical beauty with or without clothes do so to show that they are models, Lust for status is demonic. A life that rejects the agriculture that produces the food we eat leads to the desire for luxury. Thus,

from infancy to old age, it is in different individuals sin can be seen to work in different ways. Even in democracy, which is known as world justice, adultery, tribalism and corruption are taking place in the forms of greed of the leaders. This Word applies to all men because 'every one is tempted by his own lust and is enticed'. In this regard, Jesus was the only one who was free.Jesus was the one who brought forth the righteousness of the law by keeping its commandments.*(John 8:55 'I know my Father; and keeps his word'.)*

He lived in a sinless state and in a perfect spirit, knowing the tricks of the devil. He lived in the spirit of perfection in his infancy and childhood, adolascence and youth. It was the uniqueness that was given only to Him through holy birth. (Jesus does not need laws. Even if there is no law, His body will not be subject to evil. It is unique to Him.) But when He was thirty years old, He received the anointing to elevate Him to the status of

the God of Israel through the water baptism received by John.*(Matthew 3:16-17 As soon as Jesus was baptized, he came up out of the water and the heavens were opened and the Spirit of God He saw it descending like a dove and coming upon him; 17 This is my beloved son; A voice came from heaven saying that I am pleased with him. Luke 3:21-22 As all the people were being baptized, Jesus was also being baptized and praying, and heaven was opened, 22 and the Holy Spirit appeared in flesh. Descended upon him like a dove. You are my beloved son; There was a voice from heaven saying that I am pleased with you.)*

(The change of mind can be seen in baptism.)

The God of Israel who allows human participation to highlight God is a humble, merciful and gracious God. When man undergoes water baptism, his sinful personality is changed and he is anointed to full human personality. Like the anointed priests of Israel, this anointing received

by faith can also be fruitful for the New Testament devotee like the king. To Christ he who enters must be believed to be anointed by God. Let the Holy Spirit do perfect human works through faith. Through the faith of men in Christ that all the deceit of sin has been removed, God will cause man to get the appearance of Christ. The meaning of the name Jehovah is the one who causes to become. "I am who I am Jehovah, who said to Moses, "I am," is capable of becoming and doing whatever He wants to be and do.*(Exodus 3:14 And God said unto Moses, Thou shalt say unto the children of Israel, saying, I am that which I am, and he that I am hath sent me unto you.)*

We must also understand that God has not forbidden the sinful nature found in the organs of infants through the Word. (Therefore, if infants die, entry into the kingdom of God is free.) Therefore,in a sense, sin is, the transgressions of God's law by a man of little intelligence. God's law tells us what sin is. Man sees many things as sin in his own eyes. God does

not necessarily see all those things as sin.

All that is given to man to eat is God's creation. Nothing is God. In the Old Testament , we see that man was instructed to eat the meat of animals that have two hooves and cloven hooves.*(Leviticus 11:3 Of the animals that have split hoofs, and that split the hoof in two, you may eat them.)*

Man should meditate on God's word. Man should adopt a life of separation from sin. This is what God wants to reveal through this word. There is nothing wrong with eating pork if it is well cooked. With the death of Christ, all that can be eaten has become clean. Sin does not proceed from faith. The Word shows that knowing to do good and not doing it is a sin.*(Romans 14:23 Everything that does not come from faith is sin. James 4:17 Whoever knows to do good and does not do it is sin.)*

Therefore, those who live a full life

through faith should choose food freely. Eating or not eating meat is neither a sin nor a virtue. But if it is the cause of sin for another, then its divinity can be verified divinely and scientifically. A life of faith is primarily a life in which no one stumbles. Many of those who were ordinary men who led sinful lives in the past have been elevated to the positions of God today. What can be said other than the wrong message! In Hindu mythology, we can see many people who have been given divine status. Why are some of today's men and women reluctant to accept the sanctioned male-female relationship, giving God's worship and standing aside? Don't they also show that there is something wrong with that relationship?But Christ, as the Supreme Personality of Godhead, as the historical hero, separates human life into BC (Before Christ) and AD (Anno Domini, in the year of our Lord Christ), how high is He! He Does it not prove that he is still alive today when he appears in calendars in the form of AD anywhere in the world as a savior and

healer? Even Israel!

It is certain that man will be made free when he knows the truth. 'Each man is attracted and seduced by his own lust Being tested'. (*But every man is tempted, when he is drawn away of his own lust, and enticed.).*

It is not in God's way to kill the carnal lust that is born within man. Rather it is to mortify the sin (organs) that causes lust. But it is absurd that sinless Jesus, a sinless child (until the appointed time) and a believer are attracted by their own lust and be seduced by lust and give birth to sin. The reason is that in a person whose sin has been removed by Jesus, there is no lust that gives birth to sin. Moses recorded that 'the people saved by Jehovah will triumph over sin'. *(Deuteronomy 33:29 Blessed are you, O Israel; who is your equal? O people saved by Jehovah, he is the shield of your help and the sword of your glory. Your enemies will obey. You will walk on their heights.)*

It is not literal that sin is taken away. It is the belief that accepts that what has not happened has happened. God will fill the man who accepts this kind of faith with His power. By becoming a believer in the attitude of a child, the believer is able to fulfill the most important commandment to 'covet not. His life will also be pure.' A devotee of Jesus has written that through him who strengthens me I am sufficient for all things.
(Philippians 4:13 I am sufficient for all things through Him who strengthens me.)

The power of God's atonement (gospel) is perfected in a man when he is made completely weak in the sinful flesh. The Lord happened to say to the devotee that my strength is perfected in your weakness.***(2 Corinthians 12:9 And he said unto me, My grace is sufficient for thee; He said my strength is perfected in my weakness. Therefore I will boast in my weaknesses with great joy, that the power may rest***

upon me.)

In the first place , the faith in Christ that man receives is presented with the intention of making the human flesh weak for sin. Man is free to believe this or live as a sinner.' Since the origin of life is from the pure heart, the word instructs to guard the heart purified by the Spirit with all vigilance.*(Proverbs 4:23 Guard your heart with all care, for from it is the source of life.)*

He was involved in things other than sin and suffered. Similarly, we can be overcomers by being involved in things other than sin and suffering. For that, may our love and faith in him increase.

The Old Testament reveals that Jehovah took care to end the lives of wicked men by killing them.*(Genesis 38:7-10 Judah 's firstborn, Er, because he was displeasing to Jehovah, Jehovah killed him. 8 Then Judah said to Onan: Go to your elder brother's wife and perform the ritual of*

God with her. He said, "Bring forth off-spring. 9 But when Onan knew that the child would not be his, when he went to his elder brother's wife, he threw it to the ground child to his elder brother. 10 Because what he did was displeasing to Jehovah, he also killed him, 1 Samuel 2:25 Man to man If he commits a sin, he can pray to God for him; If a man sins against Jehovah, who will plead for him? But because Jehovah decided to kill them, they did not listen to their father's words.)

In the same way, it can be seen that Jesus made the request in Gethsemane that his father would hand over the righteous man to death. 'Father, if it be possible, let this cup pass from me; But I prayed that it be not as I will, but as you will.
(Matthew 26:39 Then he went a little forward and fell on his knees and prayed: "Father, if it is possible, let this cup pass from me; nevertheless, not as I will, but as you will." Mark 14:35-36 Then he went a little further and fell on the ground, and prayed that if it was possible, the hour

would pass: 36 Abba, Father, you can do all things; Remove this cup from me; But he said that it is not what I want but what you want.)

Sin is the weakness that prevents us from obeying God's commandments in the human flesh. Jesus died on the cross to remove it. It can be seen that Jesus begged his father in Gethsemane to hand over him to death before submitting to it. Jesus wanted the Father to receive the glory of his death through his obedience. His plea was not a plea to avoid death. (There are those who teach like that here.) He showed and told men through miraculous services and words that atonement is only through His death and that man needs to be a partaker. Jesus said to the people, 'If you do not believe that I am such, you will die in your sins.'*(John 8:24 Therefore I said to you that you will die in your sins; if you do not believe that I am such, you will die in your sins.)*

When those who came to catch him were

unable to catch him, Jesus drank the cup of handing himself over and they caught him. By accepting the baptism that means dying on the cross, the word he spoke was fulfilled.*(Mark 10: 38-39 Jesus said to them,"You do not know that today is what you are asking. They said, 'If you are able to drink from the cup that I drink from, and to baptize you from the baptism that I receive.' "He will surely receive the baptism he receives. _ John 18:11 Jesus said to Peter: Put up your sword; He said, "Should I drink the cup that my father gave me?")*
(Galatians 1:3 Who gave himself for our sins, that he might deliver from the present evil world, according to the will of our God and Father, from God the Father.)

In the same way, when every sinner surrenders himself and believes that he died on the cross, Jesus, the Son of God, takes the full glory of the atonement of.*(Acts 2:38 Peter said to them: Repent and be baptized every one of you in the name of Jesus Christ for the remission of your sins;*

but you will receive the gift of the Holy Spirit.)

In the Old Testament we can see the unique God who stands apart from humans (Jehovah). But this God dwells with the dead through Christ. Thus he stands alone.*(Isaiah 41:4 Who has prayed and performed it? He who called the generations from the beginning; I, Jehovah, am the first and the only among the last.)*

Jesus Christ yesterday, today and forever lives alone with His people. *(Matthew 28:20 "I am with you always, even to the end of the world." Hebrews 13:8 Jesus Christ is the same yesterday, today, and forever.)*

Jesus Christ is the Mediator of the New Testament who gives forgiveness.
Jesus, who redeems man from the transgressions of the first commandment, is a holy servant subject to God's will.
(Hebrews 9:15 Therefore he is the Mediator of the new law, that those who are

called may receive the promise of eternal rights through a death for redemption from the transgressions of the first law.)

May you who read this book be able to submit to God's will to die on the cross with Christ for the atonement of your own free will. Saying this happened in the year of our Lord (AD) that you too may receive the position of a new humanity by baptism and live fully it. Through faith, may you be able to lead a quiet and beautiful life and worship in Christ without religious ceremonies, without priestly services, without the presence of idols. Jesus is calling you!

When we read Genesis 17 chapter 10 verse 1 we can see that Abraham and his descendants are brought under a body law called circumcision. Circumcision is a physical mark that a man puts on his body according to God's will. When we analyze it scientifically, in a man it can also be seen as a way to remove the waste that has accumulated on its tip without

realizing it, and then to prevent the waste from getting stuck there. Medical science also recognizes this and promotes circumcision. Medical science has found that the waste in the male organ can damage the uterus of a woman. Just like this, spiritually, without human knowledge, the accumulated sinful impurities in the human heart prevent the soul (man) from emanating the divine nature. Therefore, it is a shadow form of the removal of the sinful heart by a circumcision (cutting off) not by hands but by faith. Therefore not in being circumcised ,but rather the writer reminds people to become a new creation by removing the foreskin (filth of sin.) ***(Galatians 6:15-16 It is not circumcision nor foreskin, but the new creation. 16 May there be peace and mercy in the Israel of God to all who follow this law.)***

The Jewish people who rejected Christ and the people of Islam continue to be circumcised. This writer hopes that if that shadow figure had been revealed to them. Circumcision not made by hands is

the service of removing the sinful heart of flesh with Christ by death. It is the valuable faith.*(Colossians 2:11 in him You have also been circumcised without hands because you have been stripped of your flesh by the circumcision of Christ.*)

In the first place, circumcision is a radical change of the human heart. To prevent man from committing sin to any other religion can't. But the New Testament is a new power that helps people to live without sin by giving them birth from God once. Those who keep the power of God, which is the gospel, in their hearts as faith, are the ones who guard themselves so that they do not fall into the traps of the devil.*(1 John 5:18 We also know that whoever is born of God does not commit sin;)*

The Christian life is a tower that man builds by keeping in his heart the investment of faith given by the Holy Spirit. The life of many people today proves that those who do not have the means to complete it end the work on the way.*(Luke*

14:28-30 If any of you wants to build a tower Do n't you sit down and see if there is a way to solve it? 29 Or it may come that after laying the foundation, it can not be settled; 30 All who see; This man began to build, and mocked that he would not be able to finish it.)(Matthew 7:13-14'Strait is the gate and narrow is the way that leads to life, and few are those who choose it. But wide is the gate and broad is the way to destruction, and many are those who choose it'.)

God wants man to live like Jesus and bring out the divine nature. But like an adulteress, man lives of the devil and bears the fruit of the devil. So God wants the husband (the devil) to die and the wife (the soul) to be set free. The word says that the spirit should become Christ's and bear fruit for God.*(Galatians 2: For I through the law am dead to the law, that I might live unto God.)*

The Word describes a person who lives in communion with the devil as an

“adulteress”.*(James 4:4 You adulterers, do you not know that the love of the world is enmity with God? Therefore whoever wants to be a friend of an enemy of God.)*

Just like a woman and a man come together and give birth to a child, the body and soul come together and give birth to sinful nature. The human soul is the spirit that produces the sinful nature.

The law of God is introduced in various names in Bible. In the Old Testament it is called "the perfect law of Jehovah"or “the law of death’. But in the New Testament we can see the laws with some other names. Mainly it includes the law of sin, the law of death, the Law of the Spirit of Life, the Royal Law, the Law of Freedom.

1.“ The Law of Sin”(Romans 7:23 , 8:2)

It can also be called the Devil's Law. This is the exact opposite of God's righteous precepts for giving life to man. This principle residing in the human organs is seen to work against the laws of God. That is why even when the laws of God or the

laws of the country exist, man is prone to do evil knowingly or unknowingly. Man is forced to obey the laws of sin because he has a body in which sin dwells. (Let the atheists also examine their lives calmly, including their dreams) Another shortcoming is that man, who is a creature of God who has received moral laws, does not have the power to implement those laws. But through Christ, sin and its authority are cast out. The body is brought under the authority of God. God's law is enforced. Here we see the Holy Spirit working in the new man. The perfection of faith is the perfection of works. (Medicine also appreciates the power of faith). The writers have recorded that to be perfect and complete in works, for the steadfastness of faith, there should be perfect works.*(James 1:4 But let there be perfect work continually, that ye may be perfect and complete, lacking nothing.2:22 For thou seest that faith spread with his works, and faith was made perfect by works.)*

2."The law of death"(Romans 7:10)

It is another name for God's (Jehovah's) perfect law. The commandments which God has given to man to produce life become the cause of death to man because of sin. The commandment is to man; but the indwelling sin breaks the commandment and leads to death.*(Romans 7 : 8 -10 And sin, having occasion, by the commandment, produced in me all kinds of desire; Without the law, sin is dead. 9 I once lived without the law; But when the commandment came, sin lived again and I died. 10 I saw that the commandment which had been given to me for life had become the cause of death for me. Sin, given the opportunity, deceived and killed me by commandment.)*

3."The law of the Spirit of life" (Romans 8:2)

Through faith we understand that the flesh in which sin dwells is put away. Therefore this law gives freedom to the

man who believes from the law of sin and the law of death. The righteousness of all God's law is fulfilled in a disembodied man. (It can also be described as the new covenant with Christ, through the sinner's death.)*(Romans 8:4 That the righteousness of the law may be fulfilled in us who walk according to the spirit and not the flesh.)*

In further detail, the new man (spirit, god) who does not dwell in the flesh produces the fruit of the Spirit (righteousness of the law) by faith. There, not the possibilities of good and evil, but only the perfection of good comes out. It is not possible for man to find the possibility of anything in God (Christ). Because in Christ There is only yes.

(2 Corinthians 1:19,20 Jesus Christ, the Son of God, whom I and Silvanus and Timothy preached among you, was not once yes and another time no; in him there is only yes. 20 No matter how many promises of God there are in him, yes;)

In Christ Any man who has become is perfect.*(Colossians 2:10 In Him who is the head of all principality and power, you have been perfected.)*

4.The "royal law"(James 2:12)

Is the law that every man must die with the King, Jesusfor the atonement of his sins.

5."The Law of Freedom"(James 2:12)

It is because it is a law that gives freedom from sin. Moreover, this New Testament has been named as the Word of Life, the Word of Faith, the ChristDoctrine, the Form of Doctrine, and the Holy Commandment. It is certain that the soul (spirit) of the person who accepts this advice from Jesus will be comforted.
(Matthew 11:28-30 Come to me, all you who labor and are heavy laden, and I will give you rest. 29 Take my yoke upon you and teach me, for I am gentle and humble; but you will find rest for your souls. 30 My

yoke is easy. My burden is light.)(By your counsel you will me lead; in the latter you will lead me to glory. Psalms 73:24)

****

8. Questions and Answers.

This section answers some of the most common questions about Christianity.

? Did God know that Adam and Eve would sin ?

(Answer)

Surely would have known. Human creation is the divine plan before the foundation of the world. It is true that Adam was promised eternal life in the Garden of Eden. That
It is fulfilled by foreseeing that the justification after the life of sin shall be through Christ. Therefore, all except Adam are born sinners and are made perfect through Christ. Then attains eternity. Adam was closed in sin and was justified through Christ. That is how Adam enters eternity. That He does things according to His wondrous counsels should be understood by the intelligent man and the angels. There is no need for an explana-

tion as to what man and the angels who have the knowledge of good and evil are doing here without the Spirit of God. Man after Adam was created in a sinful fleshly system. But God puts him under God's system of faith, where he cannot see anything. Thus, in the beginning, God closed man under sin to give him a life of perfection.*(Galatians 3:22 But the Scripture says that those who believe may receive the promise through faith in Jesus Christ; All things are brought under sin.)*

? As the Catholic Church teaches , is it possible to reach God through different religious beliefs?

(Answer)

Never. When we look at other religions, we cannot see in any of them a complete description of man as Satyaveda gives. Although vague indications of atonement are given, the cause of sin and its complete solution cannot be seen. The Hindu Vedas do the search for true life, but they

do not explain how a person can lead such a life as a family member in society and attain salvation. Therefore, according to the fourth chapter of the Acts, the twelfth verse, no one other than the person Jesus can be seen to have come to earth with that purpose to be saved from sin. The meaning of the name Jesus is 'the one who saves from sins'.*(Matthew 1:21 And she shall give birth to a son; and thou shalt call his name Jesus, because he shall save his people from their sins.)*

That is why the man who has fallen into sin is redeemed by God himself. None of the other religions specify the atonement of sin by faith and the subsequent sinless life. Sin has no dominion over those who believe and love Christ the propitiator according to law.*(Romans 6:14 For you are not under the law , but under grace , so sin will not have dominion over you . 1 John 3:9 No one who is born of God commits sin ; his seed abides in him ; and because he is born of God, he cannot sin . 5 :18 We also know that no one who is born of God*

commits sin ; He that is born of God keeps himself ; The wicked shall not touch him.)

The man who recognizes the sin that dwells in him has only Jesus as the propitiator. Man should believe and get salvation.

? If only the word is true, then why was the Quran revealed?

(Answer)

The reader should also know that the devil is sufficient to reveal the word.
(Matthew 4 :6 If you are the son of God, jump down, for it is written, "He will command his angels about you, and he will hold you up in his hands, so that you will not dash your foot against a stone.")

By reading the Qur'an , many mysteries in the words of the Bible are revealed. It does not prescribe a sinless way of life except to say that Allah is Forgiving. In this thing man's hope can be attained by man through Christ. Prophet Muhammad could not understand this mystery with

little intelligence.

The little intelligence of those who believe in "Jehovah's testimony" is transformed into subtle intelligence.***(Psalms 19:7 The law of the Lord is perfect; it cools the soul. The testimony of the Lord is faithful; it makes the foolish wise.)***

John recorded that the one who believes in the Son of God has that testimony (God's testimony) within him.***(1 John 5:10 He who believes in the Son of God has that testimony within him. He who does not believe God makes him a liar because he does not believe the testimony God gave about his Son.)***

It is the testimony of Jesus Christ, the Lord Christ. (1 Corinthians 1:5 As the testimony of Christ is sure in you, 2 Timothy 1:8 Therefore, do not be ashamed of the testimony and of me, his servant, and suffer with me according to the power of God for the sake of the gospel.)

The Qur'an is a book written by Muhammad, who could not understand this mystery, about the One God. It is only a human book. Its local translations should be read by anyone. He became mistaken that the revelation of scientific truth is divine. Scientists are here to reveal science; the sinfulman need the theology of removing sin from him.The HOLY BIBLE is the only book that has done that.

? Can you explain the personality of Christ?

(Answer)

It is very easy to explain His human personality. But understanding and experiencing it is possible only according to the rules. Since the human personality is the source of carnal mind, it is not something that can be subjugated to the will of God. ***(Romans 8:7 The mind the flesh is enmity against God; It is not subject God's law, nor can it be.)***

When we study about God's system, we can see that man lives in a fleshly system that cannot obey God's commandments. It is that system that puts man under the curse.

(Galatians 3:10 For as many as are of the works of the law are under the curse: for it is written, Cursed is every one that continueth not in all things which are written in the book of the law to do them.)

But Christ 's human personality was perfect. Because his body is not under the system of sinful flesh, it is only something that can be subject to God's law.

(John 8:55 'I know my Father; and keeps his word'.) **By saying we can understand that his heart condition is different from that of humans. For example, the violation of the commandment "do not covet" occurs when carnal lust arises in the heart. It is because there is sin in man that he is unable to obey commandment and becomes lustful. Jesus, on the other hand, was perfect enough to obey it. Only**

if Jesus had broken that commandment would lust be born within him. 'Whoever looks at a woman to lust after her commits adultery with her with all his heart.' The personality of the Master who speaks like this is special.*(Matthew 5:28 I say to you that whoever looks at a woman to lust after her has committed adultery with her in his heart.)***

Because there is no sin in Him, and because He is perfect;He is the One who has never experienced sin (did't knows it) and has never seen it. But he is the one who has known and experienced poverty, other life sorrows, reproaches and pains. But the human personality experiences and knows everything including sin. However, because the people who believe according to the law are removed from the flesh and freed from sin, their heart (mind) will be like Christ's. It is like a child. The organs of children without law are doing evil. It happens because sin dwells in their flesh. Thus Jesus was not even under the law because, there is no

sin in Him, evil does not come. There are those here who teach that He came in sinful flesh like a man and that He won victory over such human things by anointing.

If we listen to this simile, we can understand it too. Paul wrote that it is likeness of sinful flesh.*(Romans 8: 3 God sent his Son in the likeness of sinful flesh and because of sin to do what the law could not do because of the weakness of the flesh.) (Mark 11:23 , 24 'Believing if you for anything ask You have to believe that you 've got it; But you will have it; by Jesus saying that man should beg for his mind and believe that he has received it.)*

The things that man achieves through his efforts are what he displays in life. But he demonstrates from his faith in Christ that he has the divine nature that is not innately present in man. It is not something that he has achieved through his hard work.' One labored and the other the old saying 'to reap' is here.*(John 4:36-38*

"The one who sows and the one who reaps rejoices together, and the one who reaps receives wages and gathers the harvest to eternal life. 37 This is the saying that one sows and another reaps . 38 I have sent you to reap for which you have not labored; others labored; You have entered into the fruit of their labor).

That life will be equal to His personality. Jesus advised that 'whatever you believe will happen to you'. God raiseth the dead, and taketh up that which was not laid down, and gathereth up where it was not scattered. By keeping faith man is able to attain the supreme personality.

Another thing is the fully divine personality that can be seen in Christ. God wants man to live in full human personality which revealed in Christ. Jesus is the model for that. The author notes that the completeness of God resides in him as a body.*(Colossians 2:9 In him all the fullness of God dwells in bodily form.)*

Jesus lived up to the age of thirty in a full human personality that only he received. But through(water baptism, He was transformed into full divinity. He performed miracles from this. (There is no need of any belief for Him to do any divine or human things.) There are two things in God; people can see the two complete personalities in Christ. Both are complementary. (One does not corrupt the other.) Being fully human does not have the ability to perform miracles. Life activities will be specific and complete. In short, the image of God, and the perfect man's image, can be seen in Christ.

When it is said that 'he who says that he abides in him must walk as he walked' ***(1 John 2:6 he who says that he abides in him must also walk as he walked.)***

It means that sinful people must accept the example of Christ's death for sin and then live as he lived. God wants from humans through Jesus to live only in complete human personality.

?What is meant by" the man who has done it shall live".
(Romans 10: 5, Leviticus 18:5)

(Answer)

Whoever abides in the law to do all that is written in it shall not suffer death. He who commits sin must rely on the works (offerings) of the law for atonement. He is cursed and must suffer death.*(Galatians 3:10 For as many as are of the works of the law are under the curse: for it is written, Cursed is every one that continueth not in all things which are written in the book of the law to do them.)*

Christ, on the other hand, lived by "it " (the law) in the flesh that was only given to Him. Therefore, he did not have to experience death on earth. His body did not decay because he had no sin.*(Acts of the Apostles 2:31 He foresaw the resurrection of Christ and declared that he did not leave him in hell: his flesh did not see*

corruption. God raised this Jesus up:,Psalm 16:10 For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption.)

But he bore the punishment of sin in his body. So he was resurrected after death with a righteousness by the Spirit of God. *(2Corinthians 5:21For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him .,1 Timothy 3:16 He was manifested in the flesh, justified in the Spirit:)*

He was a person who did not need repen-tance or any justification while he lived on earth .

? What is meant by justification?

(Answer)

We must understand thatjustification is on the basis of God's law. This is the same situation as the one who has committed the crime and the one who has not com-

mitted the crime. The sin of the sinner is removed. By this man becomes absolutely righteous. Two ways of justification can be seen in the Word.

(1). Justification by the Law.

Man who breaks the commandments of the law is justified by offering sacrifices. But it is not possible a man who is a slave sinof to be righteous forever without committing sin. Christ is just as God . That is why he didn't became a law breaker by living. But none of the people are righteous because they carry the burden of sin. Jesus' life was only a good life that came from a good source. Jesus 's was not a heart sown with two kinds of seeds. Jesus is talking about the human heart , which is sown with wickedness, and is equally contrived. ***(Matthew 15:19 For out of the heart proceed evil thoughts, fornication, adultery, theft, false witness, and slander.Mark 7:21-22 From within, out of the heart of men, proceed wickedness, adultery, fornication, 22 murder,***

theft, covetousness, wickedness, deceit, wickedness, laziness, slander, pride, foolishness.)

It is because such a sinful heart is permanently present in man that even if he is justified by the works of the law after committing sin, that condition does not remain permanent in man. *(Hebrews 10 :1-3 For the law having a shadow of good things to come, and not the very image of the things, can never with those sacrifices which they offered year by year continually make the comers thereunto perfect.2 For then would they not have ceased to be offered? because that the worshippers once purged should have had no more conscience of sins'.)*

Paul writes that by the works no flesh will be justified, but by the law comes the knowledge of sin.*(Romans 3:20 through the law comes the knowledge of sin.Galatians 3:11 But that no man is justified by the law in the sight of God, it is evident: for, The just shall live by faith.")*

(2). Justification by faith.

We can see the Old Testament believers who were righteous by faith apart from the works of the law. Although they are sinners in the eyes of God, God has commanded that those who have been justified by God (the eleced , souls) should by faithlive. But the Pharisees and the scribes sought to obey the law;and fell on it.*(Habakkuk 2:5 it is not upright; but the righteous shall live by faith., Romans 9:32 Why? Because they sought by works, not by faith, they stumbled upon the stumbling block:)*

The Old Testament belief is as follows. Believe in the invisible God. Be sure that He is the Rewarder of even the things that are contrary to hope. Also, it is to acknowledge and give glory to God who helps in need.

God knows the humble conviction of the prophet who said, *(Jeremiah 10:23 ' Lord,*

I know that man does not make his way, and he directs his steps.')

Old Testament faith was not a faith for the remission of sin. But the New Testament faith gives the assurance that it has been freed from sinful nature and transgression. By this faith man becomes absolutely righteous. Sin is what causes a commandment to be broken. Because of the removal of that sin, man's earthly life ended. The new man is righteous, born of the righteous Christ. He is now a 'new creation'. The new man(soul) has a Spirit that does not yield to the temptation of the devil. That man lives in the same body, but lives by believing that the body is dead. Paul writes like this.
(Galatians 2:20 "I have been crucified with Christ; I no longer live but Christ lives in me; Now I live in the flesh by faith in the Son of God who loved me and gave himself for me.")

Such crucifixion and burial of the sin-dwelling flesh is for the atonement. Be-

lievers themselves should examine whether the life of Jesus in the flesh of the believer who believes in this way will not be perfect. Because this is God's plan, he will be free from sin.*(Ephesians 1:7 In him we have redemption through his blood for the forgiveness of trespasses. Colossians 1:14 In him we have redemption for the forgiveness of sins.)*

Through the New Testament, man receives a special justification that the Old Testament did not give, and the righteous live righteously from that faith. John the Baptist is the least in the kingdom of God because he is a pious man whose sin has not been removed by faith.*(Matthew 11:11 Among those born of women there has not risen a greater than John the Baptist; Verily I say unto you, Who is least in the kingdom of heaven, or greater than he?)*

? Did Jesus have carnal desires or selfishness.

(Answer)

Another form of lust is selfishness. It exists in the human mind because of sin. Because there is no sin in Jesus, there is no lust or selfishness. If that happens, it will be as if he has violated the law. The writer has written that he has not committed any sin.*(1 Peter 2:22 He committed no sin; there was no deceit in his mouth.)*

? Did Jesus live by faith.

(Answer)

Jesus was the man who fulfilled the law. He was a righteous man who could do that. He is the one who destroyed Satan's intelligence in fulfillment of prophecy. *(Genesis 3:15 And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.)*

The faith of men in the Father and the Son is a special thing. By receiving it man transforms so that a life springs from it.

Just as complete healing is obtained by faith, new life without the symptoms of sin is also available by faith. Only if you believe this, you will see the result of a new life. God brings man under the divine system of faith by removing him from the fleshly system in order to bring forth. Jesus is the hero of that faith. The flesh of Jesus was one that obeyed the commandments. 'All things lie naked before His eyes'. He is not required to do anything by faith; (Jesus is the one who sees even the human heart.)*(Hebrews 4:13 With him there is no hidden thing; all things are naked and open to his eyes; with him we are concerned.)*

? Did Jesus teach to kill the carnal desires and selfishness in man?

(Answer)

Jesus taught to destroy the stumbling members.*(Matthew 5:29-30 But if your right eye causes you to stumble, pluck it out and throw it away; it is better for one*

of your members than for your whole body to be cast into hell.It is good for you to perish. 30 If your right hand causes you to stumble, cut it off and throw it away; It is better for you that one of your limbs perish than for your whole body to go to Hell.)

It was an indication of the complete removal of that sinful body because the whole body in which man lives causes stumbling. If through the commandment, sin creates desire in a person, then that person has committed a sin. Killing lust and selfishness is not the teaching. (Man can beg for forgiveness for sins committed without knowing it.) It is the humane advice of those who have not studied the form of advice our Lord. Therefore it can be said that it is bad advice. The belief that the flesh with all its passions has been crucified must remain a constant rule in a believer. When He was crucified with the unrighteous, a" new law " through the faith of men was formed as an eternal law for the atonement of sin. That precious Faith is the " new covenant

" of atonement. That unique personality of Christ can be acquired by faith,anyone. Even if it is against the hope of man!

?What is the Holy Spirit.

(Answer)

It is the spirit of God and Christ just like the human spirit. This Spirit gives full human personality to those who believe. In the case of grace, different graces produce different results in different persons. Everything is done by the same Spirit. Believers in the church produce fruit, but does not necessarily mean a perfect life. Full life comes only from full faith. May the believers be rich in the faith given by the Holy Spirit.

? What does it mean to die by the law (to die to the law by the law POC Bible)? (Galatians 2:19)

(Answer)

The human body is under the law of sin and death. That flesh dies by the law of "dying with Christ." Thus the sinner dies to the law of sin and to the law of God's righteousness. Thus man gets freedom from laws in two ways.Only in this way can man live according to the law for God. Doctrines differ among the two thousand Christian churches. Salvation of the soul is the main thing. But when the Son of Man comes to earth, will it be possible to find those who live in that faith?*(Luke 18:8 But the Lord said, "When the Son of Man comes, will he find faith on earth?")*

? Who are the antichrists ?

(Answer)

We must understand the human flesh and the body of Jesus. All those who cannot understand him who was crucified with the unrighteous and turn away from his doctrine, are themselves of the spirit of antichrist. The mystery of the atonement is the gospel. The secret of that power is

faith. The mystery of faith is that of man with Christ. It is the crucifixion of the body of sin. The redemption of the soul also takes place through that death. Faith is also a day and night remembrance of the crucifixion and resurrection.In the first place, the crucifixion of sin, which causes lust in man, takes place with Christ. In the beginning it was the sin of the soul that caused death, but today it is the sin of the body that causes death. Faith in Christ is central to the good life. That life must last forever. Only God is good. But man can also become good by faith. Let the good life flow from the divine investment of faith.*(Matthew 12:35 A good man out of his good treasure bringeth forth good; Psalms 119: 130 The growth of the words is enlightening; it makes wise men of little understanding.)*

✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌ ✌

(Then he took the bread, blessed it, broke it and gave it to them: This is my body which I give for you; Do this for my memory. In the same way, after supper, he also gave

the cup: This cup i the new testament in my blood, which is shed for you. Luke 22:19 -20)

Who are the saints ?

(Answer)

Those who are separated from sin by accepting faith are called saints. All those who believe in the sacrifice of the body that Christ Jesus once performed have been given the title of saints. and are anointed. The fullness of the Holy Spirit must be revealed through the actions of life. The anointing oil that was poured on the head of Aaron the priest ran down the beard and perfumed the entire garment. In this way, let the Holy Spirit in the believer perfume all the actions of the believer through faith.*(Psalms 133:2 It flows down to the beard that extends to the hem, even to the beard of Aaron, like the oil of his head and 3 like the Hermonian dew that falls on Mount Zion. There Jehovah has commanded blessing and eternal life.)*

From reading Hebrews chapter 10 verses 10 and 14 it is written that those who believe in the sacrifice of the body are holy

**and blessed forever. But the purity of life and spiritual perfection should be seen as actions of faith. And doing good from the knowledge of good and evil by adopting the example of good in the Bible, the goodness resulting from faith also varies. In the life of goodness that seems to be holy , there are many other flamboyant sins such as idolatry and adorning the sinful body with special clothes and ornaments. But nothing sinful comes from faith. Adam's life and body, which is the first fruit given as a gift by God, was sacrificed to God.They hopethat those who work from that belief that they will get honor and glory forever. Knowing and experiencing the atonement of Jesus Christ is Eternal life. He himself is the way from the true God to eternal life.*(1 Peter 2:9 You are a chosen nation, a royal priesthood, a holy race, and a special people, that you may proclaim the praises of him who called you out of darkness into his wonderful light.)(John 5:20 We know that the Son of God has come and has given us understanding to know the true*

God; We belong to the true God in His Son Jesus Christ. He is the true God and eternal life.)
